PRESIDENTS GARAGE

Hello **REBELS** Family,

Welcome to this month's President's Garage, I hope everyone is enjoying the unusual weather, I know I have been, I've been getting in some good needed garage time. We've been holding monthly car show planning meetings on Sunday, there's been some great ideas and processes that have been implemented, and this looks to an incredible show this year. We had a great turn out at The Garage for our general meeting, and we also had a quick car show planning meeting afterwards. There were quite a few members that stayed for the car show meeting, and it was really nice to have people stay and see what we've got going on for the show. I believe that we're going to have the minute from the car show planning meetings posted in our news letter. As always I hope to see everyone at the board meetings as well as the general meetings.

REBELS CAR SHOW MEETING(S)

Hi! Mary Jane Kermmoade here...

Jim McNeil officially made me secretary of the **REBELS** Car Show Committee. So, it is again time to get going on the Cub Car Show!

A meeting was held after the Members Meeting February 26th, 2020. There was discussion on volunteers, food, sponsors, and a 50/50 Raffle.

We need car show help. It takes the work of all of us to make it happen. Be sure you are on the Volunteer roster at the next meeting. There are plenty of spots open right now.

Any member can ask for items for the Door Prizes and Goodie Bag items. I will collect and hold donated items at my house. And Leslie will again do her magic with the Door Prizes.

A report was given on the food vendors. There were two options on the table. After much discussion one option which would provide free meals to club members working the car show was chosen. Paying for helper's meals last year cost us \$567.00. The club members used to make and cook everything. By utilizing the donors who supported the food stand in the past it would be possible to bring down the vendor's costs, giving us free meals and increase our show revenue. They offer a variety of food and treats throughout the day. The proposal from **CJ's Treats**, was accepted.

Any one who has a possible sponsor in mind contact Jim McNeil. Jim, Jack Takemoto and Doug Weber will reach out to past sponsors. A form was created to clarify what sponsors are getting for their donation. Deadline is 4/15/20.

If you want a copy of the form, contact me, Mary Jane, at mj4quilts@gmail.com.

A 50/50 Raffle idea was accepted with a few rules: These will be revealed soon.

Next Car Show Meeting is Sunday, March 22, 2:00 PM at Trackside Bar & Grill in Waverly!

REBELS LEGISLATIVE UPDATE

For the past several months, the **REBELS** Auto Club has been working behind the scenes with the Nebraska Legislature to remedy a problem a lot of us have faced in building or restoring our cars - namely the titling of Junk Vehicles.

In the past, if you had a 'Junk Title,' you could never license or sell a that vehicle. Since many (if not most) classic cars are built from parts found at a junkyard or picked off junk vehicles, the Club felt this obsolete regulation should be corrected.

The Legislator just passed **LB-831** to correct this. The vote was 41-0!

This is great news for hotrodders and car lovers in our state. This means many will be able to get a title for their classic vehicle where they couldn't before.

Many of you may not have been aware of the Club's efforts to get this bill passed. Many thanks to **Jim McNeil** who organized the effort.

REBELS CARTOON OF THE MONTH

REBELS JOKE OF THE MONTH

A magician worked on a cruise ship.

The Captain of the ship had a parrot who attended every show. The parrot had seen the show so many times that he started to give away the magician's secrets by telling the trick.

For example, the parrot would say things like Arrugh, he has it up his sleeve, or Arrugh, he has it in his hat. Well, this really began to wear on the magician.

One night the magician had had enough and he snapped. He pulled out a pistol, put it to the parrot's head and pulled the trigger. But the parrot ducked and the bullet went through the wall and hit a propane tank, blowing the ship to smithereens.

When all the pieces fell back into the sea, the only two survivors were the parrot and the magician. They were floating on the same piece of wood that survived ship's explosion.

The parrot turned to the magician and said, "Arrguh! I give up ... what did you do with the ship?"

SURPRISE AT THE REBELS MEETING!

What a great surprise everyone had at the last **REBELS** Meeting!

Johnna Bazan, a Brownie Scout, was there at the last General Meeting on February 26 to sell Girl Scout Cookies. Johnna's personality and presentation got to everyone. Johnna is the daughter of Member Daniel Bazan.

REBELS LOVE Girl Scout Cookies!

REBELS MYSTERIES OF LIFE

From the convoluted mind of Gary

If I went to school to become a wit, why did I only get halfway through?

Why is it that you have to have a license to drive, but not one to have kids?

Has a man reached middle age when he is cautioned to slow down by his doctor instead of by the police?

If marriage were outlawed, would only outlaws would have in-laws?

If aliens are smart enough to travel through space, why do they keep abducting the dumbest people on Earth?

Why is it that when you talk to God you're praying, but when he talks to you, you're crazy?

Would a disaffected member of Generation X be a highly-motivated and successful person?

Why don't the Twin Cities look alike?

Why do the TV stations always tell you how much winning lottery players won but never how much the losing lottery players lost?

Are you getting old when you wake up with that morning after feeling and you didn't do anything the night before?

You can wave a fan and you can wave a club, but can you wave a fan club?

If optometrists gather together and agree to all raise prices, is that optical collusion?

How does NASCAR justify advertising for beer? Do they advocate drinking and driving?

Where are we going and why am I in this hand basket?

Will there be more of these next month? The answer is "Yes." (but sadly, they don't get any better!)
