PRESIDENTS GARAGE

Hello, **REBELS...**

Nominations for Executive Board will be accepted in November, and voting will be in December. Thanks to Mark Walker, Nominations AND voting will be done online this year. More about that later, after it is all set up.

It has been my privilege to serve as your President,. Due to my schedule, I will not be running for President this year. But I thank you for the opportunity to serve these last few months.

Please think about who might be a good candidate for Club President, and nominate them in November. (be sure to get their permission before nominating them though!)

General Meetings have been canceled through the end of the year due to the lack of restaurants that can handle our size group and possible health concerns of some of our 'Senior Members.'

I hope to see 'ya soon around the corner!

SECRETARY REPORT (REBELS MEETING MINUTES)

September 2020 Meeting Culvers Parking Lot, There were 25 members attending.

The meeting was called to order at 7:30 PM by President Tom Dingwell.

Secretary Margaret Otley gave her report. She asked if everyone had received their newsletter and if they had read the minutes. There were non additions or corrections. She said she will be calling members over the next couple of weeks to ask if they would mind receiving the newsletter via email vs report. A motion was made, seconded and approved to accept the Secretary's report.

Treasurer Steve Anderson gave his report. He reported income for the month was from 2 new memberships. There were no expenses. He also reported the donation checks had cleared the bank. A motion was made, seconded and approved to accept the Treasurer's report.

Vice President Lydell Otley gave his report. He said the October board meeting will be October 13th and will be via zoom. The tentative date for the October General Meeting will be October 28th. It's undecided at this time if there will be a Meeting. A motion was made seconded and approved to accept the Vice President's report.

Coordinator Jim McNeil gave his report. Jim said at this time it's undetermined if there will be Santa letters this year. It is possible that Shadow Lake in Omaha would also want the Rebel's to reply to Santa letters. More information will be available at a later date and will be in the newsletter or sent by an email to members.

Jim reported that Bob and Lile Moberly are recovering from COVID-19 and doing well. Leroy Heinbigner passed away, no information on memorial service at this time. The Car Council is going ahead with plans for the swap meet. They missed the deadline to cancel it.

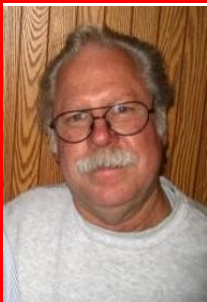

The deadline for the ad in the Car Council book is January 15th, 2021. A motion was made to place the ad for the Rebel's 2021 car show, and the show can be canceled if necessary. The motion was seconded and approved.

Nomination of Officers is in November. Nominations will be by email and can be sent to any board member. Election of officers will be in December and will be done online; ballots will be sent to those who do not have access to email. The offices up for election this year are President, Treasurer and one At Large. Tom said he would not be running for the office of President.

Tom has calendars with him tonight. Jim McNeil is going to draft a letter to be delivered to car show sponsors along with a calendar. Doug Weber and Don Shea will be delivering them.

The meeting was adjourned at 8:15 pm.

Respectfully submitted,
Margaret Otley, Secretary
REBELS Auto Club

REBELS VIDEO OF THE MONTH

American Car 'Party Tricks'

As they say in this video, "You've got to see it to believe it!"

This video is pretty neat!

It's about 1950 cars with unusual features. Some we all have seen - some maybe not.

Whatever - it is interesting to see what Detroit dreamed up 'back in the day' to try and sell more cars.

Enjoy!

REBELS MYSTERIES OF LIFE

From the convoluted mind of Gary

Should you be worried if you have a dream where you are into sadism and bestiality and necrophilia or are you just beating a dead horse?

If the workers at the Federal Mint went on strike, would they be demanding to make less money?

Is television called a medium because it is neither rare nor well-done?

If April showers bring May flowers, why do Mayflowers bring Pilgrims?

Instead of getting married again should you just find a fat ugly woman you don't like, give her your house and all your other stuff and cut out the middleman?

Some Doctors are reporting that men are having allergic reactions to latex condoms because they cause severe swelling. So what's the problem?

If carrots are so good for the eyes, how come there are so many dead rabbits on the highway?

In the beginning there was nothing and Lord said "Let There Be Light!" was there still nothing, but at least now you could see it?

At a doctors office where they do emergency foot surgery, would they welcome walk-ins?

Should you always go to other peoples' funerals, because otherwise they won't go to yours?

Why can't women put on mascara with their mouths closed?

Why don't you ever see the headline "Psychic Wins lottery"?

Why isn't there a special name for the tops of your feet?

Why is it that good judgment comes from experience, and a lot of that comes from bad judgment?

Isn't letting the cat out of the bag a whole lot easier than putting it back in?

Is a corporation just an ingenious device for obtaining individual profit without individual responsibility?

If Coca-Cola wanted to hire Britney Spears, would they have to drop the slogan, "It's the real thing"?

If 95% of all people have hemorrhoids, are the other 5% are perfect assholes?

Is it bad to tell a joke about the number 288, because it's just two gross?

Is Hell for the fisherman this sign: Beer/Bait. Choose only one?

Isn't it true that there is nothing wrong with abstinence, in moderation?

Isn't the problem with this country that the people who know how to run it are busy driving cabs and cutting hair?

Is the reason you should never argue with an idiot, that they drag you down to their level then beat you with experience?

Was there only one black on the Challenger space shuttle because they didn't know it was going to blow up?

Could the theory of evolution be that Darwin was adopted?

Isn't weaseling out of things important to learn because it's what separates us from the animals (except, of course, for the weasel).

What does a deserted area look like?

Bet you thought I would run out of these, didn't you? (everyone handles the Corona Virus Pandemic differently...)
