PRESIDENTS GARAGE

Hello **REBELS!**

Our first General Meeting of 2021 (well, at least our first *in person* Meeting of 2021) is scheduled for April 28 at Culvers North in the parking lot. Hopefully it won't be long before we can begin meeting inside again!

I am really looking forward to this Meeting, as it will be my first 'in person Meeting' since becoming President.

Plans are still on track for the **REBELS** Auto Club Show in June. More to come...

Check out the Club Website, as new information has been added to the bottom of the 'Original REBELS' Page, located under the '**More**' drop down menu. Thanks to Stan Dinges for his input.

That's about all for now, as I have been on the road with the Air National Guard.

Look forward to seeing everyone again on April 28!

Brian Nystrom, President
REBELS Auto Club

VICE PRESIDENT REPORT

Our REBELS Executive Meeting will be Tuesday at 7 pm on internet, and our Regular Meeting will be Thursday 28th at the North Culver's in parking lot at 7:30 pm. (weather permitting)

Hope to see you all there...

Lydell Otley, Vice President

REBELS "SAVE THOSE TABS"

Be sure and save your "Pull Top Tabs" for the Ronald McDonald House to give as a donation from the REBELS Auto Club.

Help support the **Ronald McDonald House of Lincoln** by collecting those little tabs you pull to open soda, soup or other aluminum cans.

IF YOU ARE GOING TO DRINK POP AND/OR ADULT BEVERGES ANYWAY ... WHY NOT SAVE THOSE PULL TABS FOR A GOOD CAUSE?

Bring your Tabs to the next meeting, and give to **Margaret** or **Lydell Otley**.

Many Hearts. One Home.

SECRETARY REPORT (REBELS MEETING MINUTES)

March 2020 Executive Meeting (via computer)

The meeting was called to order at 7:55pm by President Brian Nystrom.

Secretary Margaret Otley asked if everyone had received their newsletter and if there were any additions or corrections to the minutes. There were none. A motion was made, seconded and approved to accept the minutes and the Secretary's report.

Treasurer Steve Anderson gave his report. Steve reported that the only expense was for the car council ad. A motion was made, seconded and approved to accept the Treasurer's report.

Kelly, she is the daughter of longtime member Stuie Kirkbride, would like help from the Rebel's with the Norris High School car show. The car show is April 24th. She has been working with Rebel member Bill Montz. They would also like to use the Rebel's judging sheets. Discussion followed. The Rebel's have never given out our judging sheets. Jim McNeil said he could take the **REBEL'S** name off of the judging sheets. Kelly asked that she receive a response no later than Monday.

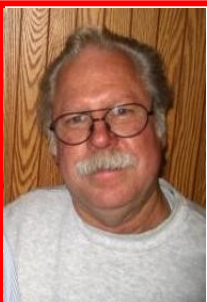

Vice President Lydell Otley gave his report. He said the April executive meeting will be April 13th via Zoom. The April general meeting will be on April 28th at North 27th St Culvers parking lot. Weather permitting. A motion was made, seconded and approved to accept the Vice president's report.

Coordinator Jim McNeil gave his report. Jim said the information for the **Crab Orchard show will be in the newsletter**. Jim had also been approached by Make a Wish to set up a cruise for an 8 year old boy. More details will be in the newsletter. Jim said he had not received any new information from Parks and Rec regarding the car show. A motion was made, seconded and approved to accept the coordinator's report.

New business: Jim has Car Council books and will bring them to the April meeting. Members can also pick them up from Jim.

The meeting was adjourned at 8:31pm

Margaret Otley, Secretary
REBELS Auto Club

REBELS 'PICTURES OF THE MONTH'

REBELS VIDEO OF THE MONTH

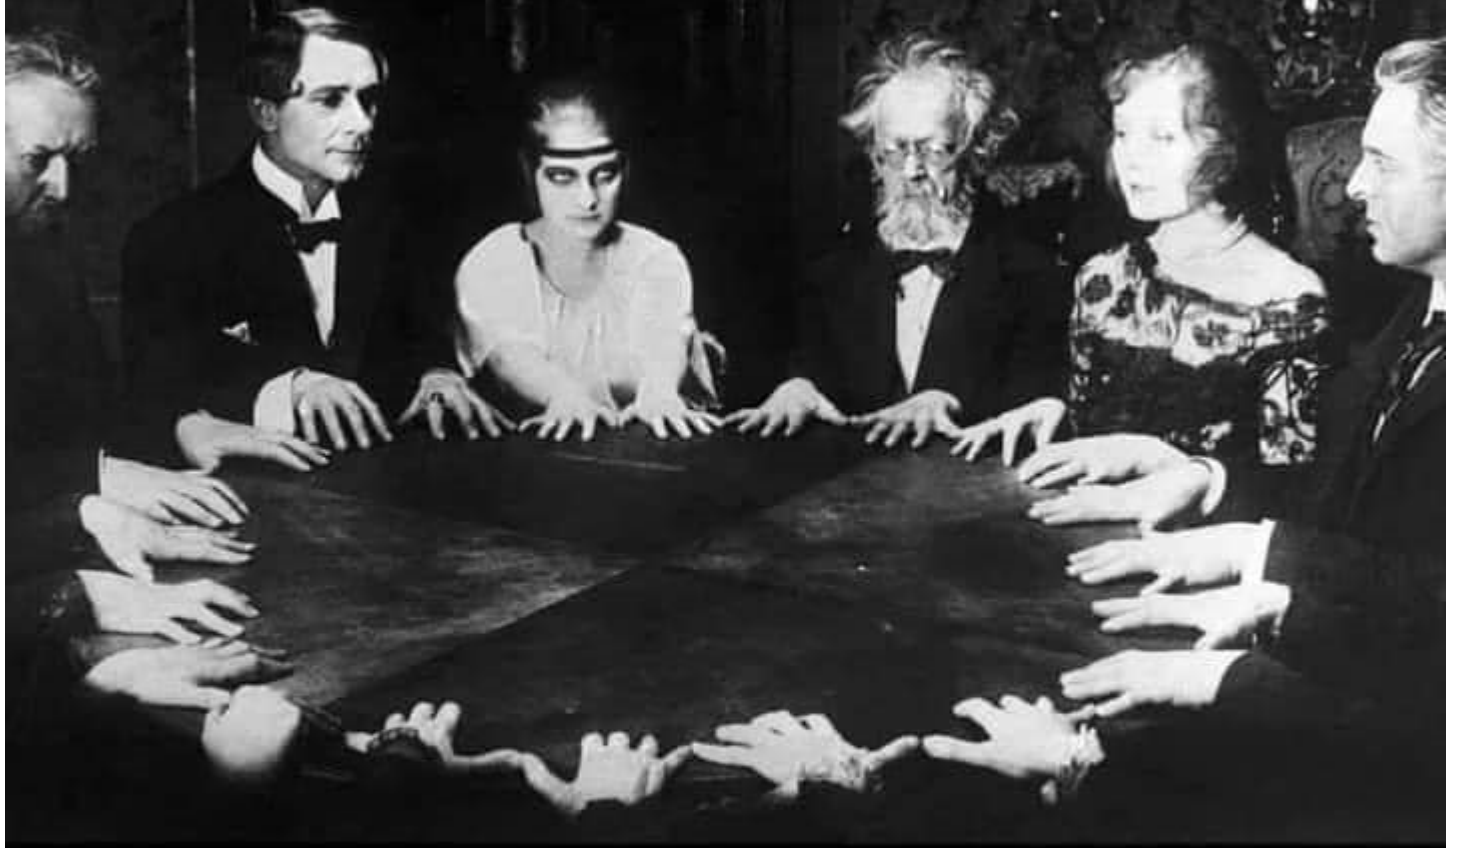

Beauty lies in the eyes of the beholder. But there are some things that are objectively ugly, that not even 50 bottles of beer can beautify. This little concept holds true even in the world of cars.

Over the years, the roads have seen some cars that only the designers alone could call pretty. In honor of all those monsters, this is Top Car Magazine's 15 ugliest cars ever created (our apologies to Bobbi for #10)

Why Most REBELS Don't Like Online Meetings ...

Virtual meetings are basically modern seances

“Elizabeth are you here?”

“Make a sound if you can hear us?”

“Is anyone else with you?”

“We can't see you. Can you hear us?”

REBELS MYSTERIES OF LIFE

From the convoluted mind of Gary

If a Rabbi walks around saying, "Yo", is he dyslexic?

Is a guy really macho if he jogs home from a vasectomy?

Why is it that only adults have difficulty opening child-proof bottles?

Does a good wife always forgive her husband when she's wrong?

How can two pounds of candy can make a woman gain five pounds?

How do you *act* naturally?

Why is it OK to block part of the TV program I'm watching with a weather warning map, but not OK to do the same thing with a commercial?

If Webster wrote the first dictionary, where did he find the words?

If you wrote a letter, why don't you bite your tongue?

How can you be *terribly pleased* about something?

If you've read a book and then reread it, why don't you "member" somebody to remember them?

If two mouse's are mice and two louses are lice, why aren't two houses hice?

Am I a Proctologist because I work with butt holes?

What is a *genuine* imitation?

If ignorance is bliss, where are all the blissful people?

If the pen is mightier than the sword, and a picture is worth a thousand words, how dangerous is a fax?

In a country of free speech, why are there phone bills?

If the post office has machines that can sort mail at 1000's of times per minute, then why do they give it to a little old man on a bike to deliver?

How can someone be *clearly* misunderstood?

How do "Do not walk on the grass" signs get there?

Why do black olives come in cans and green olives come in jars?

Before they invented drawing boards, what did they go back to?

How is it possible to have a civil war?

How can someone be *pretty* ugly?

If all the world is a stage, where is the audience sitting?

If the #2 pencil is so popular, why is it still #2?

How do you know that honesty is the best policy until you have tried some of the others?

How do you throw away a garbage can?

What happens to an 18 hour bra after 18 hours?

Why didn't Noah swat those two mosquitoes?

Why do hot dogs come 10 to a package and hot dog buns only 8?

Why do tourists go to the tops of tall buildings and then put money into telescopes so they can see things on the ground close-up?

Why is it that night falls but day breaks?

When your pet bird sees you reading the newspaper, does he wonder why you're just sitting there, staring at carpet?

How can you have a *small* crowd?

What happened to the first 6 "ups"?

Why do things appear darker when they are wet?

How can you be a *butt* head?

What's so French about French fries?

Bet you thought I would run out of these, didn't you? (everyone handles the Corona Virus Pandemic differently...)
