

VitalityNOW

Kit

Now MedClinic is committed to your overall health and wellbeing. Our **Vitality Now Kit** is the perfect product for this goal. Practically a fountain of youth in a box, this kit is focused around the beneficial effects of **Sermorelin**, **Naltrexone** and our **Lipo-Trim SL** to increase your overall experience of life and wellness. Optional kit products are also available and listed below.

KIT PRODUCTS

SERMORELIN

Being a growth-hormone releasing hormone (GHRH), Sermorelin stimulates the production and release of growth hormone by the pituitary gland. This increased production of HGH causes an increased production in Insulin Growth-like Factor 1(IGF1.)
