

NovaSure[®]

Stop your heavy period and restart your life

**Has your heavy period
been keeping you away?**

**If you're like 1 in 5 women with heavy
periods, you want to get back to life.**

Are you one of them?

Has your heavy period been keeping you away?

1. Does your period affect your quality of life?
2. Are you bothered by the amount of bleeding or the pain that you have during your period?
3. Does your period make you feel depressed, tired or moody?
4. Are you afraid of having an embarrassing accident?
5. Do you have PMS symptoms such as headaches during your period?
6. Do you bleed more often than once a month?
7. Do your periods last too long?
8. Do your periods affect your social, athletic, or sexual activities or cause you to miss work?
9. Would your life improve if you could decrease or completely eliminate your periods?
10. Would you like to learn about a simple procedure that can help you get back to your life?

Talk to your doctor about stepping back into life with NovaSure.
