

“The BioTE[®] Method”

- ◆ BioTE[®] Medical is committed to providing the highest standard of patient care.
- ◆ The BioTE[®] Method of Natural Hormone Balance is based upon 34 years of documented research to ensure the safety and standard of care for all patients.
- ◆ BioTE[®] Medical requires the highest efficacy in ALL of our products, including estradiol and testosterone pellets.
- ◆ BioTE[®] Medical holds national contracts with two compounding pharmacies that provide pellets that are developed specifically to match our individualized hormone doses.
- ◆ BioTE[®] Medical is the only company that requires independent, third party laboratory testing for all hormone pellets and tests for specific values in the following categories:
 - ◇ General Appearance
 - ◇ Potency/Sterility
 - ◇ Rigidity
 - ◇ Friability
 - ◇ Weight Variation
 - ◇ Disintegration
 - ◇ Dissolution
 - ◇ Temperature Tolerance

Thank you for your interest in the BioTE[®] Method! We look forward to helping you add not only YEARS to your LIFE, but also LIFE to your YEARS!
