

GALIT

EXPERTS IN DENTISTRY

PRICE LIST

QUALITY

The company has been operating under the international quality management system for medical device manufacturers, ISO 13485:2013, since 2008.

SAFETY

All GALIT dental unit models bear the CE mark, certifying compliance with the European Medical Device Directive 93/42/EEC.

ERGONOMICS

Each GALIT dental unit is the result of a comprehensive approach involving our entire team—from experienced design engineers to highly skilled production specialists. Every detail is developed with one goal in mind: to ensure maximum efficiency and comfort for the doctor in everyday use.

SERVICE

The professionals of the GALIT service department provide aftersales technical support within short timeframes and with minimal material costs.

ADVANTAGES OF GALIT DENTAL UNITS

- A wide range of models offers flexibility to meet the unique needs of every dental practice.
- Over 60 options available to customise your unit for maximum convenience and functionality.
- Components sourced exclusively from trusted European manufacturers, ensuring long-term reliability and durability.
- Cost-effective pricing provides exceptional value without compromising on quality.
- All GALIT dental units are built on a modular system, allowing for easy upgrades, maintenance, and adaptability.

SALES CONDITIONS

PRICES:	All prices are in EUR and based on EXW delivery terms from either Teplice or Ternopil.
DELIVERY TERMS:	Within 4–8 weeks from order acknowledgement, except in cases of force majeure conditions.
PAYMENT TERMS:	50% advance payment at the time of order placement, with the remaining 50% due upon shipment of the goods.
TRANSPORTATION:	Carrier: Chosen by the customer. Insurance: At the customer's expense.
SHIPPING COSTS:	To be determined.
PACKING:	Packing is included.
INSTALLATION:	Performed exclusively by the manufacturer's technicians or authorised dealers. Installation costs are determined separately.
WARRANTY:	To be determined.
SALES CONDITIONS VALIDITY:	Valid until December 31, 2025.

Attention! The colour, characteristics, and completeness of the goods specified in the price list may differ from the actual products.
The final cost and availability should be confirmed with our managers.

GALIT AUTONOME PRO
From 22 912 € (basic configuration)

STATIONARY CUSPIDOR UNIT – INCLUDES:

- Ceramic rotary cuspidor bowl with electronically controlled rinsing and cup-filling functions
- Distilled water system, 2 l.
- DK50 compressor with a 3-litre stainless steel tank, an integrated condensate separator with a filter, and an automatic condensate drain — all built into the cuspidor unit
- Suction aggregate with an integrated bactericidal filter built into the cuspidor unit
- 6-litre water container for bowl rinsing and cup filling
- 5-litre secretion container

MODERN DESIGN DENTIST CONSOLE WITH UPPER OR LOWER HOSE DELIVERY, INCLUDING:

- Electronic spray regulation
