

Price list

Product	Light source	Brightness	Colour temperature	Extra		Dimensions	Weight	Price
L168	LED 115 - 168 W	3000 lux/1.2 m	3000 - 5700 K CRI98	Dimmer with remote	Incl.	1190 x 638 x 51 mm	12 kg	3640 €
Leaf	NEW			Indirect light	310 €			
				Dynamic light (Auto)	670 €			
				Monitor bracket	500 €			

Leaf has a great light performance and is the perfect luminaire for exam rooms, dental clinics and beauty clinics.

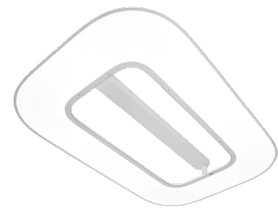

SunLike LED technology mimics the sun's natural light, which with an CRI value of 98 provides optimal colour rendering.

C209	LED 209 - 290 W	4500 lux/1.2 m	3000 - 5700 K CRI94	Dimmer with remote	Incl.	1282 x 850 x 15 mm	20 kg	4670 €
Cloud				Indirect light	310 €			
				Dynamic light (Auto)	400 €			
				Colour panel*	1000 €			

With its size, Cloud is perfect for an examination room, a dental practise or a beauty clinic. It is possible to add Cloud with a soothing function if you choose our colour panel.

*Colour panel and monitor bracket cannot be combined.

CL104	LED 104 - 216 W	3000 lux/1.2 m	3000 - 5700 K CRI94	Dimmer with remote	Incl.	1530 x 670 x 59 mm	16.3 kg	3850 €
Clair				Indirect light	310 €			
				Dynamic light (Auto)	680 €			

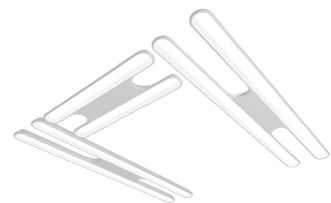

Clair is a LED fitting with low energy consumption and minimal heat radiation. Large shadow and glare-free workspace. The optional dynamic light is a world first, on a clinic unit.

BR200	LED 265 W	4000 lux/1.2 m	5700 K CRI94	Dimmer with remote	Incl.	1200 x 1110 x 45 mm	13 kg	3370 €
-------	-----------	----------------	--------------	--------------------	-------	---------------------	-------	--------

Brite U

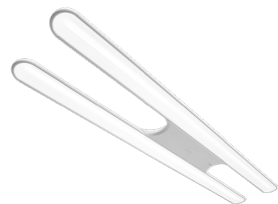

Brite U is our widest fitting and has the same benefits as Brite. Brite U works perfectly in a room with a ceiling mounted operation lighting.

BR80	LED 106 W	9500 lux/0.6 m	5700 K CRI94	Dimmer with remote	190 €	1200 x 235 x 45 mm	5 kg	1090 €
------	-----------	----------------	--------------	--------------------	-------	--------------------	------	--------

Brite

Brite is designed to suit work benches in medical environments as well as offices. Brite is an efficient light source, shadow- and glarefree with no heat radiation.

Prices include light source, suspension cables (wires) and packaging (cardboard). Prices are valid ex works Nössebro, excl. VAT and pallets are charged net. All prices quoted are recommended retail prices and reflect the manufacturer's understanding of current market prices. The price list should only be taken as an indication, as each retailer has the right to set his own prices. D-TEC AB reserves the right to make price adjustments. A 5 year warranty is issued on all LED lighting fittings.

Product	Light source	Brightness	Colour temperature	Extra	Dimensions	Weight	Price
BR40	LED 53 W	4800 lux/0.6 m	5700 K CRI94	Dimmer with remote 190 €	640 x 235 x 45 mm	3 kg	730 €

Brite Mid

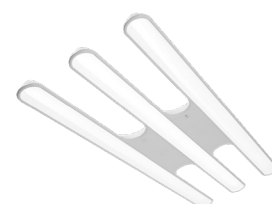

Brite Mid offers the same benefits as Brite but is suitable for shorter work surfaces.

BR120	LED 159 W	3450 lux/1.2 m	5700 K CRI94	Dimmer with remote 210 €	1200 x 390 x 45 mm	7 kg	1630 €
-------	-----------	----------------	--------------	--------------------------	--------------------	------	--------

Brite Triton

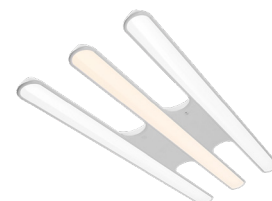

Brite Triton has the same great benefits as Brite, with the big difference that it is larger. This makes it suitable for larger work spaces rather than individual workbenches.

BR120D	LED 159 W	3450 lux/1.2 m	3000 - 5700 K CRI94	Dimmer with remote 210 €	1200 x 390 x 45 mm	7 kg	1650 €
--------	-----------	----------------	---------------------	--------------------------	--------------------	------	--------

Brite Triton D

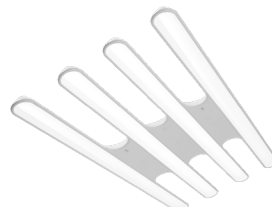

Brite Triton D has the same basic design as Brite Triton with the only difference that the middle section is changed into warm white lighting (3000 K which can be turned off). Triton D can also simulate daylight shifts. Dynamic light (Auto) is included.

BR160	LED 212 W	4550 lux/1.2 m	5700 K CRI94	Dimmer with remote Incl.	1200 x 550 x 45 mm	11 kg	2600 €
-------	-----------	----------------	--------------	--------------------------	--------------------	-------	--------

Brite Tetron

Brite Tetron is the largest in the Brite family. Perfect for an examination room where you might need a bigger enlightened area.

Prices include light source, suspension cables (wires) and packaging (cardboard). Prices are valid ex works Nössebro, excl. VAT and pallets are charged net. All prices quoted are recommended retail prices and reflect the manufacturer's understanding of current market prices. The price list should only be taken as an indication, as each retailer has the right to set his own prices. D-TEC AB reserves the right to make price adjustments.
