Community Impact Grant Program

Program Overview:

The Collinsville Area Community Foundation (CACF) is pleased to announce the **Community Impact Grant Program**, which provides financial support to organizations that enhance the quality of life for residents within the Collinsville Community School District Unit #10 (CUSD10). The program aims to support impactful projects that might not otherwise be funded through existing resources, foster collaboration between tax-exempt organizations, and benefit a broad range of residents.

Eligibility:

Eligible organizations include any 501(c)(3) nonprofit agency, organization, or government entity recognized by the Internal Revenue Service that serves the needs of individuals within the CUSD10 boundaries.

Grant Amount:

Grants of up to **\$5,000** will be awarded on a competitive basis while funds last.

Project Criteria:

Applications will be evaluated based on the following criteria:

1. **Enhancing Quality of Life:** The project must directly improve the quality of life for residents of CUSD10.
2. **Lack of Existing Resources:** The project must address a need that is not adequately supported by current community resources.
3. **Fostering Cooperation:** The project must facilitate collaboration between tax-exempt organizations in the community.
4. **Broad Community Benefit:** The project must demonstrate a wide-reaching impact that benefits a significant portion of the community.

Grant Timeline:

- **Application Window:** May 1, 2025 to July 1, 2025

How to Apply:

Eligible organizations must submit the completed application along with any necessary supporting documents by the application deadline. Applications will be reviewed by a selection committee based on the established criteria.
