 Bjorn Martin, 23, Troy: Operating uninsured motor vehicle,

Ayleen Cortez is First Recipient of Huber Vocational Scholarship

Collinsville Area Vocational Center (CAVC) announced today that Collinsville High School senior Ayleen Cortez is the first recipient of the Marilyn & Doug Huber Vocational Scholarship. The Hubers joined CAVC faculty and Director Joe McGinnis for the announcement of the \$2,500 award.

Ayleen is a student in the CAVC Criminal Justice program. After graduation, she plans to study psychology at Southern Illinois University Edwardsville. "Once I graduate with my bachelors, I hope to pursue a career in psychiatry or become a psychologist," said Cortez, "I chose to major in psychology because it will allow me to develop a broad understanding of human behavior, and the skills needed to understand or interpret it."

Marilyn Huber was a school psychologist in Collinsville Community Unit School District #10 for 17 years before retiring. Their children Aaron (CHS Class of 2005) and Patrick (CHS Class of 2006) attended Collinsville schools. Doug's father was the Superintendent of Schools in Westville, Illinois, which added to their family's desire to support education. Their passion for the Collinsville community, and new scholarship initiatives launched by CUSD 10 and CAVC, provided the catalyst for their philanthropy.

"I grew up in Collinsville and it's where we raised our family," said Marilyn, "Collinsville has such dedicated teachers and staff. We are impressed with the innovative approach the district has taken to grow future teachers through the Kahoks Teaching Kahoks program. And, as a former school psychologist,

Front Row L to R: Maryilyn Huber, Ayleen Cortez, Doug Huber
 Back Row L to R: CAVC Instructors Akyia Perry, Justin Cann, Director Joe McGinnis

I know students have different talents and many thrive in the "hands-on" environment offered by Career and Technical Education. Access to both of these opportunities is important." "Our contribution to these scholarship programs will help make it possible for high school graduates to continue their education and move toward careers. A simple act by our family will make a difference to students who are trying to pay for college or technical training," she said. "Mr. and Mrs. Huber's pas-

sion to make a difference, and their love for the district, are evident in their generous contribution that will benefit our high school students for years to come and expand our work force in both education and the trades," said Collinsville CUSD 10 Superintendent Dr. Mark B. Skertich. "They embody one of our communities' strongest qualities: a constant dedication to our students." The Huber gift is among several endowed scholarship funds supported through the

Collinsville Area Community Foundation (CACF). To support or create a scholarship for CHS or CAVC students, visit the Collinsville Area Community Foundation website. CACF is a public charitable organization as defined by Section 501(c)(3) of the Internal Revenue Code. All contributions and gifts are tax deductible. Donations and bequests are accepted from and disbursed to individuals, groups or businesses.

Speeding.

Library Hosts Kids Outside This Month

By Randy Pierce
 Spring's arrival and the nice weather that comes with it is providing an opportunity for the Tri-Township Library in Troy to offer children some outdoor activity this month. Having started on the first Friday in May then continuing on the 13th and again on the 27th, the library is hosting a story time in the park from 9 a.m. to 10 a.m. It is being held at the Tri-Township Park petting zoo which is located on Wynona in Troy between Sarah Street and Lake Drive. Advance registration is not required. Also, beginning on May 24, the library district will be hosting a yoga story time in the park at the same location from 9 a.m. until 9:45 a.m. then continue to offer this program every Tuesday throughout the summer. For this story time, there is a limit of 15 children and pre-registration with the library is necessary. In case of bad weather, the outdoor story time events will be relocated to inside the Tri-Township Park Community Center at 410 Wickliffe Street.

Yet another story time session, aimed at kids ages three through eight with younger ones always welcome too, is set for Monday, May 16, from 10 a.m. to 11 a.m. inside the library at 209 South Main Street in Troy and will feature 30 minutes of fun in the form of songs, dance and stories then another half hour of play time in the children's activity center there. None of these events being implemented this month will interfere with or take the place of the library's other ongoing activities for children that include the children's play group every Thursday from 10 a.m. to 11 a.m. for ages five and under which consists of 20 minutes for music and rhymes then 40 for age-appropriate activities. Continuing also will be the monthly Lego Club for children on the last Wednesday of the month, the next one being May 25, from 3:30 p.m. to 4:30 p.m. with a different theme for each session and the more impressive creations made by participants being put on display for all to see.

Maryville: Operating a vehicle with expired registration 1st and 2nd offense.
