Section III – Pickleball Basics

4: Court & Equipment

4.1. Pickleball Court:

- 4.1.1. Pickleball is a paddle sport played with a perforated ball on a 20-foot-by-44-foot court with a tennis-type net. The court is divided into right and left service spaces, as well as a non-volley zone, commonly referred to as “the kitchen.” The net height is 36 inches at the sidelines and 34 inches at the center. The court includes 7-foot non-volley zones (kitchen) on both sides of the net, as well as 15-foot service areas. Court markings must follow official USA Pickleball dimensions.

4.1.2. Court Lines & Areas:

- 4.1.2.1. **Baselines:** The lines parallel to the net at each end of the court.

4.1.2.2. **Sidelines:** Sidelines. The lines perpendicular to the net on each side of the court.

4.1.2.3. **The Kitchen:** The kitchen is a 7-foot area on either side of the net where players are not allowed to hit the ball directly out of the air (volley), meaning they must let the ball bounce before hitting it. The kitchen prevents players from standing directly at the net and spiking the ball with ease.

4.1.2.4. The centerline, baselines, and sidelines are considered in, but if the ball lands on the kitchen line, then it is a fault

4.2. Pickleball Paddles & Balls:

4.2.1. Players are encouraged to bring their own pickleball paddle. The venue may have paddles available to rent, but availability is not guaranteed, and a rental fee may apply. Players are allowed to bring their own pickleballs. The game ball may be switched out during the match, provided both Teams' Captains agree. Players must use USA Pickleball-approved paddles that conform to official size and material regulations. Paddles cannot exceed 17 inches in length and must not contain alterations affecting gameplay. The ball must be an official outdoor or indoor pickleball, made of a perforated polymer material, and approved by USA Pickleball. Players are encouraged to bring their own equipment, though venue rentals may be available.

4.3. Uniforms:

4.3.1. While teams are welcome to create and wear custom shirts for league play, **Born Sports League strongly encourages the inclusion of the official BSL logo** on all custom apparel. Visibility of the BSL logo helps promote league identity, unity, and community pride across all teams. To request a high-quality version of the logo, please email info@bornsportsleague.com.

Section IV – Teams

- 5.4.3. The automatic loss will be assessed against the offending Team at a 11-0 score prior to the beginning of the third consecutive game, at an eleven point scoring loss differential against the offending Team.
- 5.4.4. After receiving a loss, the offending Team's play orders will be reset to zero, i.e., each Player will be determined to have played in zero Games after receiving a penalty.
- 5.4.5. Should the Teams reach another third game where a Team's Players have to play a third game in a row, another penalty will be assessed and the Team's play orders will be reset again.

5.5. Beginner & Lower/Upper Intermediate Team Composition:

- b) The Team goes undefeated in all non-forfeited Matches for a Season and wins the End of Season Tournament for that Season.

Note: These rules do not apply to the Advanced Divisions.

How to Meet the 50% Roster Limit:

- The Team splits into two Teams, with only one remaining in the same division, and that Team retains 50% or less of the original roster.

5.6. Division Placement and Reclassification

5.6.1. To promote fair competition, balanced divisions, and an enjoyable experience for all participants, the Born Sports League Board of Directors reserves the right to place, promote, reclassify, or move any Team into the division deemed most appropriate based on prior season standings, regular season performance, tournament results, roster composition, player skill levels, DUPR ratings, and other relevant competitive factors.

5.6.2. Division assignments and any subsequent reclassification decisions shall be made at the sole discretion of the Born Sports League Board of Directors and the Pickleball Director.
