

PRODUCT OVERVIEW

The Bellcom Technologies 2-Port Surface Mount Box is a compact surface-mount enclosure designed to support two keystone jacks in work-area network installations. It provides a clean, economical, and convenient solution for cable management where flush wall mounting is not available. Keystone jack not included.

FEATURES

- Supports two keystone jacks
- High-impact ABS construction
- Comes with double-sided adhesive
- Screws, ties, and adhesive tape included
- Can be terminated with 110 or Krone type tools
- UL 94V-0 fire-retardant material
- UL listed; ISO/IEC 11801 and ANSI/TIA-568.2-D compliant
- Durable plastic construction with zip ties to protect the cabling system

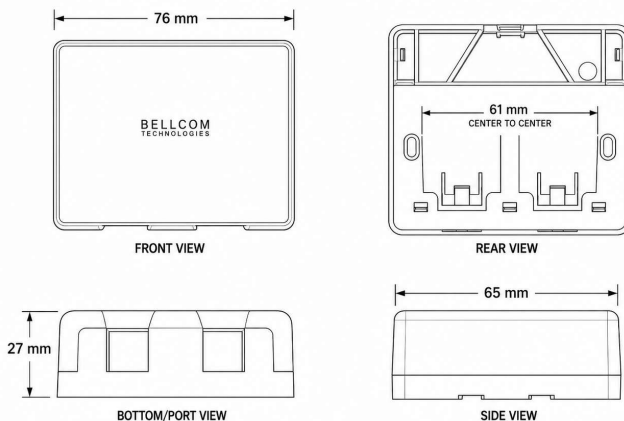

APPLICATIONS

- Surface-mount network outlet installations
- Cable management and organization
- Space-saving networking systems
- Work-area data, voice, and low-voltage cabling points
- Retrofit applications where in-wall mounting is not practical

PRODUCT SUMMARY

Property	Specification
Product Type	2-port surface mount box
Port Capacity	2 keystone jacks
Mounting	Surface mount / adhesive or screw mount
Material	High-impact ABS
Color	White
Included Accessories	Screws, ties, and adhesive tape
SKU	BC-2P-SM

BELLCOM 2-PORT SURFACE MOUNT BOX

All dimensions are in millimeters (mm).

Bellcom 2-Port Surface Mount Box - Dimension Diagram

TECHNICAL DATA

Category	Property	Specification
Product	Description	2-port surface mount box for two keystone jacks
Compatibility	Keystone Support	Supports two Bellcom Technologies or standard keystone jacks
Material	Case	ABS, UL 94V-0
Material	Jack / Bracket Housing	PBT + Glass Fiber, UL 94V-0; PC + Glass Fiber, UL 94V-2
Dimensions	Width / Depth / Height	76 mm W x 65 mm D x 27 mm H
Mounting	Screw Hole Spacing	61 mm center-to-center on rear mounting holes
Performance	Standards	Meets or exceeds ISO/IEC 11801 and ANSI/TIA-568.2-D
Operating	Temperature	-10°C to 60°C max

CONSTRUCTION & CHARACTERISTICS

Component	Property	Specification
Enclosure	Design	Compact surface-mount box with two keystone openings
Enclosure	Construction	Durable high-impact ABS plastic
Mounting	Hardware	Double-sided adhesive, mounting screws, ties, and adhesive tape included
Cable Management	Cable Protection	Zip ties included to help protect and organize the cabling system
Termination	Tool Compatibility	Compatible with 110 or Krone type termination tools when used with compatible keystone jack
Mechanical	Insertion / Retention Force	20 N max. insertion force; 17 lb (7.7 kg) retention force

STANDARDS & COMPLIANCE

- UL 94V-0 fire-retardant material rating
- UL listed
- ISO/IEC 11801 compliant
- ANSI/TIA-568.2-D compliant
- Designed for structured cabling outlet applications

INSTALLATION NOTES

- Install using included screws or double-sided adhesive
- Use with two compatible keystone jacks; keystone jack not included
- Use included zip ties where required for cable support
- Suitable for surface-mount network outlet installations
- Follow project cabling standards and termination practices

ORDERING INFORMATION

SKU	Product Description
BC-2P-SM	Bellcom Technologies 2-Port Surface Mount Box, White

Confirm required color, packaging quantity, and project requirements at time of order. Keystone jack not included.
