

PRODUCT OVERVIEW

Bellcom 2-Port Faceplates are window ID keystone wall plates designed for clean, professional work-area network outlets. The plate accepts standard keystone inserts and is compatible with Bellcom Technologies inserts, making it suitable for structured cabling, data, voice, and low-voltage installations.

FEATURES

- Fits most standard keystone inserts
- Fits all Bellcom Technologies keystone inserts
- Double-port design for two modular keystones opening
- High-impact ABS construction
- 94V-0 fire-retardant material rating
- Matching color mounting screws and labels included
- Matte finish, available in white

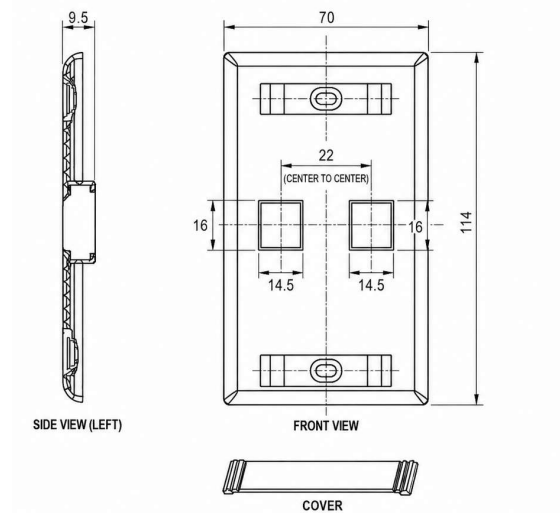

APPLICATIONS

- Work-area network wall outlets
- Voice, data, and low-voltage cabling points
- CAT5E, CAT6, and CAT6A keystone installations
- Commercial offices, data rooms, and residential cabling
- Modular faceplate installations using Bellcom inserts
- Structured cabling systems requiring labeled outlets

PRODUCT SUMMARY

Property	Specification
Product Type	2-port keystone faceplate
Port Capacity	2 keystones insert
Color	White
Material	High-impact ABS
Finish	Matte finish
Accessories	Matching screws and labels included
SKU	BFP-2PA

BELLCOM 2-PORT FACEPLATE

Bellcom 2-Port Window ID Keystone Faceplate

TECHNICAL DATA

Category	Property	Specification
Product	Description	Window ID keystone wall plate, 2-port faceplate
Product	Port Capacity	2 keystones insert opening
Compatibility	Insert Support	Most keystone inserts; all Bellcom Technologies inserts
Material	Construction	High-impact ABS
Fire Rating	Material Rating	94V-0 fire retardant
Finish	Surface / Color	Matte finish, white
Accessories	Included Items	Matching color mounting screws and labels
Dimensions	Approximate Size	70 mm W x 114 mm H
Weight	Unit Weight	0.05 lb each

CONSTRUCTION & CHARACTERISTICS

Component	Property	Specification
Faceplate Body	Material	High-impact ABS
Faceplate Body	Fire Rating	94V-0 fire retardant
Insert Opening	Capacity	2 standard keystones insert
Compatibility	Supported Inserts	Bellcom keystone inserts and most standard keystone modules
Mounting	Hardware	Matching color mounting screws included
Labeling	Window ID	Labels included for port identification
Finish	Surface / Color	Matte white finish
Mechanical	Dimensions	70 mm width x 114 mm height; ABS material indicated on drawing

STANDARDS & COMPLIANCE

- ABS construction with 94V-0 fire-retardant rating
- Designed for standard keystone wall-plate installations
- Compatible with Bellcom Technologies keystone inserts
- Suitable for structured cabling outlet identification

INSTALLATION NOTES

- Install into standard wall box or low-voltage mounting bracket
- Snap compatible keystone insert into the faceplate opening
- Use included labels for port identification where required
- Use matching mounting screws for a clean finished installation

ELECTRICAL PERFORMANCE

Parameter	Specification
Product Type	2-port window ID keystone faceplate
Material	High-impact ABS
Fire Rating	94V-0 fire retardant
Port Capacity	2 keystones insert
Dimensions	70 mm W x 114 mm H, based on supplied drawing
Color / Finish	White, matte finish
