

DESCRIPTION

Bellcom 2U Cantilever Network Shelf is a 19-inch rack-mount vented shelf designed to support network and server equipment in standard racks and wall-mount cabinets. The shelf provides a clean, durable mounting platform with SPCC cold rolled steel construction and a black finish.

KEY FEATURES

- 2 RMU / 2U cantilever-style vented shelf
- Fits standard 19 in. racks and wall-mount cabinets
- High-quality SPCC cold rolled steel construction
- Ideal for network and server equipment
- Includes mounting set: 4 x M6 screws, cage nuts, and washers
- Supports up to 44 lb. load capacity
- Black finish for a clean rack installation

APPLICATIONS

- Network cabinets and racks
- Wall-mount cabinet installations
- Server and IT equipment support
- Structured cabling and AV/IT installations
