

DESCRIPTION

Bellcom 1U Adjustable Server Shelf is a 19-inch rack-mount adjustable shelf designed to support deeper server and network equipment in standard racks and cabinets. The 740 mm shelf provides a heavy-duty adjustable mounting platform with SPCC cold rolled steel construction, a black finish, and up to 100 lb. load capacity.

KEY FEATURES

- 1 RMU / 1U adjustable shelf
- Fits standard 19 in. racks and wall-mount cabinets
- High-quality SPCC cold rolled steel construction
- Ideal for network and server equipment
- Includes mounting set: 4 x M6 screws, cage nuts, and washers
- Supports up to 100 lb. load capacity
- 29.25 in. (740 mm) depth, adjustable to 23.5 in. (850 mm)

APPLICATIONS

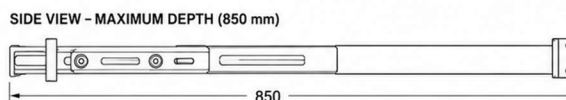

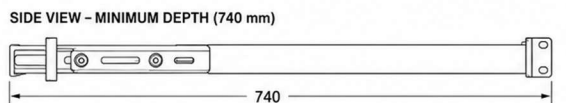

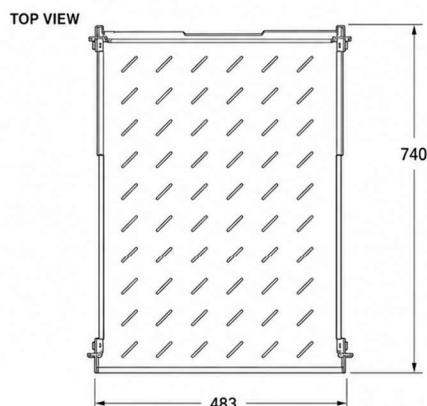

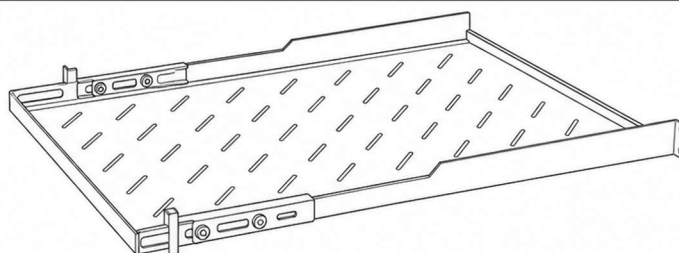

- Server cabinets and racks
- Network and IT equipment support
- Structured cabling and AV/IT installations
- Deep rack shelf applications
