

DESCRIPTION

Bellcom 6U Knock Down Series Wall Mount Cabinet is designed for secure 19-inch rack equipment mounting in compact network, telecom, security, and IT infrastructure installations. The design provides front and side access for easier equipment service, cabling, and maintenance.

KEY FEATURES

- Quick and easy wall mounting with 19-inch standard installation inside
- Flat pack for ease of transportation
- Front door opens past 180 degrees
- Built-in fan tray for active heat extraction
- Removable side doors, top and bottom cable entry, and secure lock
- Reliable SPCC 1.50 mm cold rolled steel construction with black powder coated finish
- Designed for compact network, telecom, security, and equipment installations

APPLICATIONS

- Small network rooms and IT equipment areas
- Telecommunications and structured cabling installations
- Security, CCTV, access control, and low-voltage systems
- Commercial offices, retail spaces, schools, and service areas
