

Directions for Submitting ACC Modification Form

1. Complete the ACC Modification Form fully and obtain four (4) signatures from nearby neighbors. They are not approving the project. They are simply acknowledging the upcoming project.
2. Describe the project as best as you are able by describing size, color, appearance, and who will be building or constructing said project. Also, attach any pictures that would show the possible outcome of the project.
3. When completed, please scan to the following email: tpurser@shadetreeia.com.
4. The completed form will then be given to the Arbor Lakes HOA Architectural Control Committee (ACC) for approval
5. You will be notified promptly of the results.
