**John 3:16** - For God so loved the world,  
 that he gave his only begotten Son, that  
 whosoever believeth in him should not  
 perish, but have everlasting life.

Dear Friends in Christ,

Valentine's Day is right around the corner, and unfortunately, it may be a tough day for many people. Single people may wish they were not single; married people who are struggling in their marriages wish they were not struggling; and those who have lost a loved one often feels very alone on Valentine's Day. Isn't Valentine's Day supposed to be about love? It is, but sometimes it is a reminder of the love we want or the love we had is missing.

But as followers of the Lord Jesus Christ, let us remember how much we are loved by Him. His love is a whole lot more than a box of chocolates or a dozen roses. His love is so much more than the love we think we want, and it is all about the love we really need. God's love changes everything for us.

John 3:16 says, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

God's love shows us we are valuable, for He wants to have a relationship with each one of us. When we say, "Yes!" to Jesus, that is when we will experience true and everlasting love.

If you are not really sure that God loves you, I hope you will give me a call. Let me share what the Bible says is the greatest love story ever told.

And if you are already a Christian, and you have put your trust in Him as your Savior, I hope you will take the opportunity on Valentine's Day to remind those around you of just how much they are loved. God's love is the only "forever love" – it's yesterday, today, and throughout eternity. Happy Valentine's Day, and God bless you all!
