The Event: SCIENCE FARE EXHIBITION

Demonstration and Exhibition of Innovation and Research Models done by Students of various schools in Ahmedabad district

Specific objective:

To promote Research and Innovation on Science among citizens and school children along with motivation

Towards promoting the interest and research activities in SCIENCE among school children and rural civilians CAIRN India decided to support the celebration event of Mandal block in organizing SCIENCE FARE on the verbal request from the BRC Mandal. This event was jointly organized by GCERT, DIET, District Primary Education Committee and BRC, Mandal. The event was started with the cultural program from School children. Event was attended by the key officials form GCERT, Gandhinagar along with Ahmedabd District and Block level education authorities and CAIRN India and CEDRA representatives.

A wonderful Science Innovation Exhibition was demonstrated and it was very much appreciated by the officials and visitors. Students demonstrated various models of Science they are studying in text.

They explained those innovations to visitors quite neatly and with full of confidence. The presence of local leaders, village people and authorities inspired the participants and provided them a special boost to carry on the wonderful activities.

CAIRN India supported the initiative under the MLI activities in partnership with CEDRA NGO. All the participants were given motivation gift of Geometry box by CAIRN India. The teachers who inspired the students for such a wonderful presentation were also awarded prizes by CAIRN India.
