**Empowering Indigenous Youth for a Brighter Future: Help Us Expand Our Reach!**

At Burning Stone Ministries, we're dedicated to supporting Indigenous youth as they overcome barriers to education and build paths toward a successful future. To continue this vital work, we need your help.

Many Indigenous youth face the challenge of leaving their homes to access quality education. Our programs provide the support they need to succeed, but we need to grow our capacity to reach more young people.

- **Office Space:** A dedicated space for our staff to work efficiently and for youth to access resources. Funds needed: \$20000.00
- **Vehicle:** Reliable transportation to transport youth to school, appointments and cultural events. Funds needed \$20000.00
- **Staff Expansion:** Additional team members to mentor, guide, and support more youth on their educational journey. Funds needed \$50000.00

With your support, we can make a lasting impact.

- **More Youth Reached:** Expand our outreach and support to more Indigenous youth in need.
- **Increased Success:** Provide personalized guidance and resources to help youth achieve their educational goals.
- **Stronger Communities:** Empower Indigenous youth to return to their communities with the skills and confidence to be leaders who change the policies of colonialism.

**Join us in making a difference.** Your donation can help us expand our capacity and change lives.
