Service Notes

Residential Habilitation (RH10, RH20)- Residential Habilitation and Support services mean individually tailored supports that assist with the acquisition, retention or improvement in skills related to living in the community.

Examples: Assistance with personal care, meals, shopping, errands, chores and leisure activities, and transportation.

Exclusions: Services furnished to a minor by the parents, step-parents or legal guardian. Services furnished to an individual by the individual's spouse.

Limitations: a paid (blood, adoptive or marriage) relative and/or legal guardian may not exceed a total of 40 hours per week per paid relative and/or legal guardian caregiver.

Day Habilitation (DHI)- Services are provided in a variety of settings in the community. Settings are nonresidential and separate from an individual's private residence or other residential living arrangements.

Examples: Leisure Activities, Community Events, Educational Services, Hobbies, Volunteer opportunities, contact with family and friends.

Exclusions: Services furnished to a minor by the parents, step-parents or legal guardian. Services furnished to an individual by the individual's spouse.

Respite (RSPO)- services provided to individuals unable to care for themselves that are furnished on a short-term basis because of the absence or need for relief of those persons who normally provide care for the individual.

Examples: Toileting, Feeding, assistance with daily living skills, grooming, personal hygiene, Meal prep, supervision/support, accessing the community.

Exclusions: Services provided to an individual living in a licensed facility-based setting. Other family members may not receive care or support from the provider while Respite is being provided/billed for the waiver individuals. Respite cannot be used as day/childcare. Respite cannot be used while the unpaid guardian attends school or work.

Transportation- Transportation services enable individuals to access nonmedical community services, resources, destinations or places of employment, as well as maintain or improve their mobility within the community.

Limitations: Limited to Two one-way trips per day. Service will not be reimbursed when provided by the parent of a minor

Participant Assistance & Care (PAC)- services support and enable the individual in activities of daily living, self-care and mobility with hands-on assistance, prompting, reminders, support and monitoring needed to ensure the health and safety, of the individual.

Examples: Assistance with personal care, meals, shopping, errands, chores and leisure activities, mobility, correspondence and bill paying. General support and person-centered monitoring of the individual.

Exclusions: Services furnished to a minor by the parents, step-parents or legal guardian. Services furnished to an individual by the individual's spouse.

Limitations: a paid (blood, adoptive or marriage) relative and/or legal guardian may not exceed a total of 40 hours per week per paid relative and/or legal guardian caregiver.

Remote Supports- Remote Supports includes a wide range of technology-based services that delivers support to an individual from a remote location in place of on-site staffing. Remote Supports provides a realistic, non-invasive way for many individuals and families to find the supports they need to build life skills and familiarity in their level of independence with a sense of security

Examples: Communication Devices, Visitor Safety, Overnight Supports, Fall Risk Mitigation, Kitchen Safety, Elopement Mitigation, Seizure Management.

Exclusions: Remote supports cannot be used in conjunction with Structured Family Caregiving.
