Letter to Staff Regarding the Covid-19 Virus (Coronavirus)

March 13th 2020

Hello all True Northiens,

The Last 24 hrs has been a whirlwind of information and I am sure you all have a lot of questions. We are in uncharted territory, but I am here to tell you that True North management is here to assist. We are a team and we will stay safe together and come out of this stronger than ever.

As of Mar 12th, 2020 the Alberta Government has placed a ban on all events and gatherings of over 250 people in response to the covid-19 virus. While this will drastically affect our industry, True North supports this decision. Our number one priority is, and always will be, the safety of our staff, clients, and their patrons. We are going to be following the guidelines set forth by public health officials and doing our part to limit the spread of this Virus.

I want to stress that at this point in time, there is no reason for any True North staff to suspect that they are at risk based on previous shifts. We are coordinating with health officials and clients/venues to get the latest information during this fluid and dynamic time. As of now, there is no suspicion of anyone infected at any of the events we have worked.

We encourage all staff to visit our website, truenorthsecurity.ca, for continuous updates regarding the covid-19 virus and how it effects True North and its employees. We have compiled a list of questions I'm sure some of you are having and answered them to the best of our ability. There is also a list of major cancelled events we would have been working, and a variety of resources for you to view/download to help keep you safe. This page will be updated as True North Management gets more information.

True North Event Crew and True North Executive Security are both still operational during this period. We will continue to serve the events community and Albertans. Events may be cancelled in accordance with public health officials guidelines and hopefully these measures will have Alberta back at full strength very soon. We are still actively planning out our summer season. There is lots of exciting things coming soon.

Staff who's shifts have been cancelled have been notified via email and will continue to receive notifications though this method for future cancelations. For information regarding social events and training, please visit truenorthsecurity.ca for the most up to date information.

If you have any questions, comments or concerns, please don't hesitate to reach out. Stay safe folks.

Colin Macoun
