

**If it looks like an OEM part,  
fits like an OEM part,  
and performs like an OEM part,  
*BUT it costs less...***

**it must be a Genuine PERFORMANCE+™  
part from ABBA**

We understand all too well the seriousness of a pump failure in your treatment plants & pumping stations. We also understand the demand to do more with shrinking budgets. ABBA Pump Parts and Service offers:

**REPLACEMENT PUMPS, PARTS and ASSEMBLIES**  
for virtually all your  
**ALLIS CHALMERS & FAIRBANKS MORSE**  
water and wastewater pump models

IF YOU ARE RESPONSIBLE FOR MAINTAINING PUMPS USED IN TREATMENT PLANTS & PUMPING STATIONS – rest assured ABBA is a knowledge leader, experienced in manufacturing replacement pumps and parts of exceptional quality.

**What You Should Expect From ABBA:**

- **EXPECT THE BEST PRICES** - we can sell at considerably lower prices vs. the OEM (Original Equipment Manufacturer)
- **EXPECT EXCELLENT QUALITY** - our success in the industry speaks for itself. Our products meet or exceed OEM standards for fit, form & function.
- **EXPECT GREAT DELIVERY** - we deliver sooner, because we can
- **EXPECT ENGINEERED SOLUTIONS** - we have the expertise to solve a variety of pump application problems
- **EXPECT EXPERIENCE** - over 20 years specialized experience manufacturing replacement parts and assemblies specifically for Municipal applications means we really do know what we're talking about

Additional information and product catalogues are available by contacting our office. We would be pleased to answer any questions you may have, or should you require competitive pricing on replacement pump parts, please do not hesitate to call.
