

APPLIQUÉ BIRD BLOCK

8" Finished Block

APPLIQUÉ BIRD BLOCK

FABRIC REQUIREMENTS:

- 10" square for background
- 1" square for beak
- 3" square for face
- 3" x 4" rectangle for tail
- 3½" x 5" rectangle for belly
- 4" x 5" rectangle for wing
- 6" square for body

FUSIBLE APPLIQUÉ INSTRUCTIONS

1. Trace individual templates on fusible web.
2. Leaving ¼" along the outside, cut the fusible web shapes apart and, following the manufacturer's instructions, iron to the wrong side of appropriate fabric.
3. Once the fused shapes have cooled, cut out directly on the drawn lines.
4. Refer to the project photo for placement and fuse all pieces in place.
5. Using a coordinating color of thread either blanket stitch or a whipstitch the different shapes in place.
6. Using 2 or 3 strands of embroidery floss, backstitch the legs.

APPLIQUÉ BIRD BLOCK

Shapes have been reversed
and are ready to trace onto
the paper side of fusible web.
