## MAY: NATIONAL PET MONTH

Let's honor the unwavering love that our pets bring into our lives. They greet us with wagging tails and wet kisses, their unconditional love filling our hearts with joy. Our pets are more than just animals; they are companions, confidants, and loyal friends. They comfort us in times of sadness, bring laughter with their playful antics, and remind us to cherish the simple moments in life. Let's celebrate the bond we share with our furry family members and treasure the endless love they so generously give. Here are some ideas you can do to spend time with your pet this month!

- Go exploring:
  - Visit the Kershaw County Farmers Market for some dog treats and socializing.
  - Go hiking at Goodall State Park
  - Sit outside and grab a bite at Haile Street Grill or Steeplechase.
- Make treats: There are a ton of pup friendly treat recipes online. Here is one of our favorites and its so simple!

## FEAR FREE TIP OF THE MONTH

### Tips to help prevent separation anxiety from [fearfreehappyhomes.com](http://fearfreehappyhomes.com):

- Meet your dog's physical, social, and exploratory needs each day through routine & scheduled activities.
- Teach your dog independence and to be comfortable being left alone or separated from you by a baby gate or door. If you are home with your dog for most of the day, make sure you ignore them sometimes and do not make a constant fuss over them. Constant attention when you are home makes it harder for them when you leave. Schedule alone time for your dog each day while you go for a walk, pick up groceries, take a short drive, or take a shower.
- Offer your dog a food puzzle toy when you leave to give him something fun to do. Use caution in multiple pet households as some dogs will fight over a food toy.
- Use calming dog pheromones (such as Adaptil) sprayed onto bedding or in a plug-in diffuser and play calming music such as classical.
- Catch your dog being calm and when the dog is ignoring you, reward him with calm and pleasant attention.
- Make your arrivals and departures calm and no big deal. Do not make a big fuss over your dog or be overly emotional when you leave the house or when you first arrive home
