

Lauren & Hardy Tech Spec

Stage Plot:

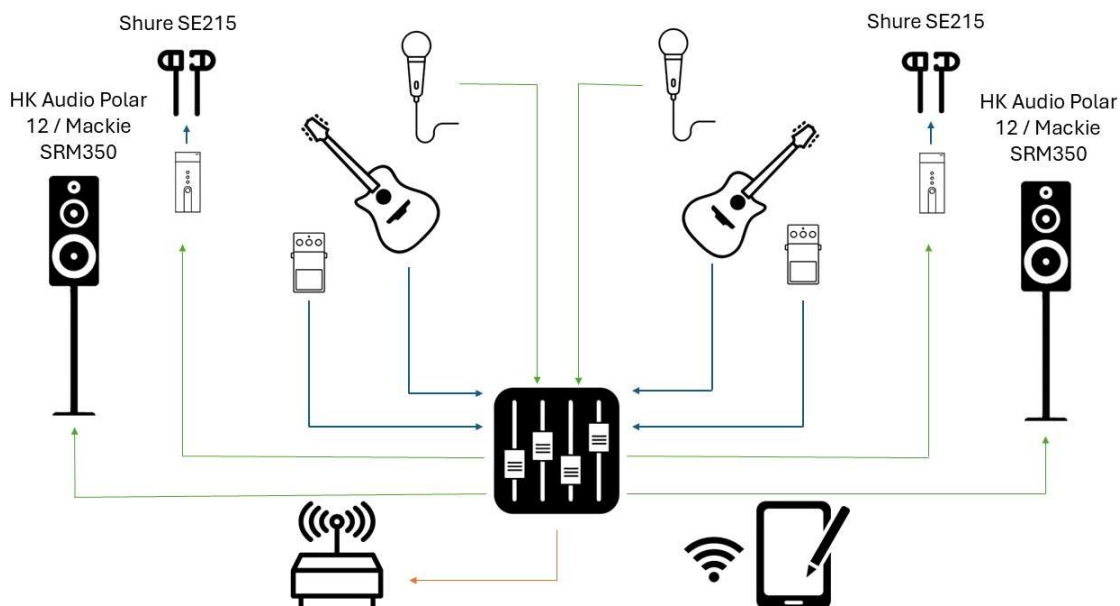

- We will be seated for the performance so require 2 chairs
- Right-handed and left-handed guitarist, Lauren stage right to prevent headstocks clashing.
- Anything over 3 square meters (total) should be sufficient.

Input List:

- 2x guitars (¼" mono jack, line level)
- 2x vocals (Dynamic mics, XLR, no phantom power)
- 1x percussion (Boss SP-One, battery operated, ¼" mono jack each, line level)

L&H Supplied Equipment

All items recently PAT tested...

Monitor List:

- One monitor positioned between us is sufficient.

Power Requirements:

- None (assuming DI boxes provided are phantom powered?)

Backline Equipment:

- Stage Monitor (as above)
