Our Mission

To inspire and enable all youth, K-12, especially those who need us most, to realize their full potential as productive, responsible, and caring citizens by providing stimulating and challenging programs through interactions with dedicated, caring people.

What We Do

The Boys & Girls Club of Western Lane County fills the gap between school and home. The Club provides a safe welcoming environment where youth can have fun, participate in skill-building programs, and build supportive relationships with peers and caring adults.

The Club aims to provide an experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

Our 2023 Impact

541 youth enrolled in high-quality after school, summer, and sports programs which was a 66% increase from 2022!

We served 10,565 hot meals and snacks to our Club members. Access to nutritious food is a key part of our programs.

Our Club members spent 400 hours giving back to their community through various service learning projects and volunteer opportunities.

The Boys & Girls Club of Western Lane County Presents

Program Sponsorships

Sponsor A Kid

Sponsoring a kid may just be the most important thing you could do right now. Many of our youth come from low income single parent (or grandparent) homes and rely on the support of community members like you to help make it possible for them to attend the Boys & Girls Club.

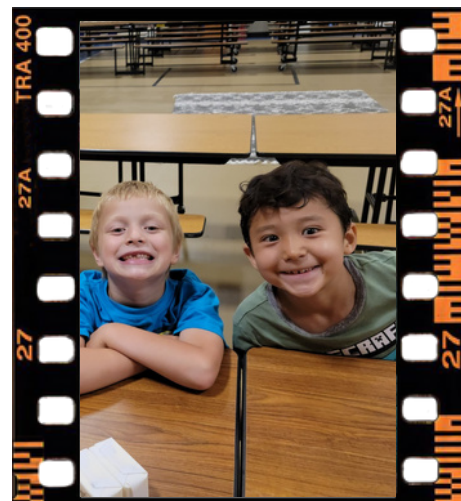

By sponsoring a kid you are not only providing a safe place and a warm meal after school, you are investing in the future of those who will guide our community in the years to come. Take this opportunity to help provide a kid with access to life skills, educational resources, leadership opportunities, and so much more!

Elementary Site

\$2000-Covers the fees for 1 kid to attend both the after school and summer programs for 1 year.

Teen Center

\$1000-Covers the fees for 1 kid to attend both the after school and summer programs for 1 year.

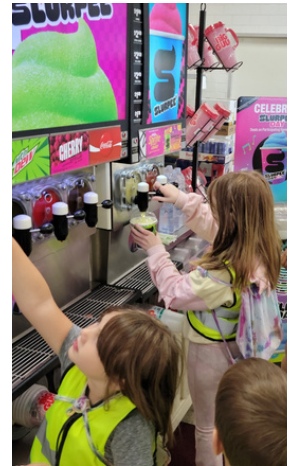

Field Trip Sponsor

Field trips provide our youth with a chance to step out of the Club and experience different things. Outings include seeing movies, getting tasty treats, creating clay sculptures & other artsy things, mini golf, go-carts, and more!

Elementary Site- \$2,500

Teen Center- \$2,500

Sports Sponsor

Sports provide our youth with foundational experience in teambuilding, cooperation, and healthy competition. Sports sponsorships help cover expenses for equipment, uniforms, and participant scholarships.

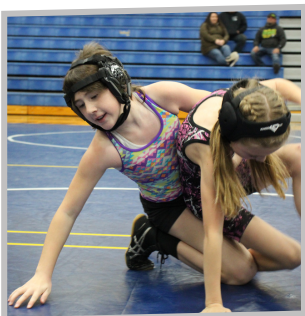

\$3,500- Basketball

\$3,500- Cheerleading

\$3,500- Wrestling

\$3,500- Flag Football

Air Academy Sponsor \$3,500

In 2024 we will be conducting our 7th Annual Florence Air Academy and we couldn't be more excited! The Boys & Girls Club of Western Lane County partners with COL (retired) Terry Tomeny of Aero Legends Biplane Rides for this summer time favorite.

The Academy is a two week course that covers principals of aviation and introduces youth to careers in the aviation industry. Participants tour a Coast Guard Helicopter, fly remote controlled planes, pilot drones, and have the opportunity to fly in a plane with an instructor pilot!

Sponsorships help cover the cost of participant program expenses, lunch/snacks, field trips to Lane Community College Lane Aviation Academy/Oregon Air & Space Museum/Coast Guard Station/Florence Police Station, expenses for drones, rockets, and other class materials.
