

HELP CLAIRE FIND A HOME

INSTRUCTIONS:

Dear You,

We need your help! Claire has been looking for her forever home in Houston, Texas for 3 years! Our goal is to share her story far and wide to get her in front of the people destined to love her completely. Cut out both Claire's picture and the purple box with her story. Tape or glue her story to the back of her. Then take a picture with Claire anywhere you think she would love to explore: the park, an ice cream shop, your sofa, anywhere - get creative!

Share your pictures on Facebook, Instagram, and maybe your group message with your besties too! Tag us at @Forgottencoastanimalrescue so we can share everywhere Claire goes looking for her family. Let's make Claire's hashtag #HelpClaireFindAHome shine like our girl's big smile.

When you're done, give Claire to a friend to do the same or leave Claire somewhere she can be found by the next person, and the next person!

Ready? Okay! Cut, snap, share! Thank you for helping change Claire's story!

DO YOU WANT TO BE CLAIRE'S FUR-EVER FAMILY?

Claire has been waiting 3 years in Houston, TX for a family. She's affectionate, loyal, playful, quiet, and formally trained with basic commands. She LOVES toys, blueberries, belly rubs, kisses, cuddles, and to be dressed up! Claire is always up for spending time together, whether you want to take a stroll where she can show off her best-in-class leash manners or cuddle up and watch a movie.

Sound like the perfect companion for you?

Since Claire wants all the love and attention, she needs a home where she can be the star of the show - no children, other dogs, or cats!
