ACCESSORY CATALOG 2024

INSULATION KIT - KITCHEN SLIDE-OUT

Code: RE-VYKNIN-02

Category: Accessory, 4-Season

Add an extra layer of insulation under your Voyager Kitchen Slide-out to help keep sink plumbing lines warmer for those who don't let winter shorten their adventure season!

Supplied with:

- > Pre-cut 10mm self-adhesive backed alumina fiber & high density cotton insulation

\$85.00

INSULATION KIT - UNDER-BATTERY

Code: RE-VYKNIN-01

Category: Accessory, 4-Season

To protect your batteries from the heat, cold, and other factors that may be detrimental to your batteries, add this layer of insulation to the battery housing area in your Voyager. Voyager models 2024+ come standard with this feature.

Supplied with:

- > Pre-cut 10mm self-adhesive backed alumina fiber & high density cotton insulation

\$50.00

PROPANE TANK MOUNT, DRIVER SIDE

Code: RE-VYPMEX-01

Category: Accessory, Exterior

Powder-coated aluminum propane tank harness with custom laser-cut Xpedition Trailers logo. Fits 11 lb propane tank (not included). For those long adventures off-the-grid!

Supplied with:

- > Harness & mounting hardware

\$350.00

ROCK CHIP GUARDS, FENDERS & SIDEWALLS*

Code: RE-VYEXRG-01

Category: Accessory, Exterior

Extend the life of your wrap & body of your trailer with these bedliner-coated aluminum Voyager Rock Chip Guards for your fenders & sidewalls (passenger side sidewall & driver side fender shown left).

Supplied with:

- > 2 fender guards & 2 sidewall guards, mounting hardware, INSTALLATION INCLUDED

\$1,200.00

ACCESSORY CATALOG 2024

3-SIDED WINDSCREEN

Code: RE-VYKN02-03

Category: Accessory, Kitchen

3-sided folding aluminum windscreen for Dometic stove with logo etching. Compatible with all Voyager models.

Supplied with:

> Windscreen & custom-fit storage sleeve

\$150.00

FRIDGE ENERGY CHAIN

Code: RE-VYELKN-05

Category: Accessory, Kitchen

For Voyager models built prior to 2024, this retro-fit kit allows you to re-direct your fridge power cord through an energy chain directly into your REDARC Manager30®, keeping cords neatly tucked out of the way below the stainless-steel countertop when deployed.

Supplied with:

> Chain bracket, energy chain, mounting hardware

\$75.00

REAR EXTERIOR DOOR STAYS, S/2

Code: RE-VYEXBR-10

Category: Accessory, Kitchen

Set of 2 Door Stays for rear exterior kitchen doors. Custom laser-cut & powder-coated bracket mounts on door and rubber door stopper mounts onto wall, so doors stay in place with slide-out in use.

Supplied with:

> Brackets, stainless-steel studs, rubber door stoppers, mounting hardware & rivnut-setting tool

\$110.00

BLACK-OUT MAGNETIC WINDOW SHADES, S/2

Code: RE-VYMCWII-01

Category: Accessory, Main Cabin

Set of 2 Black-Out Magnetic Window Shades for main cabin interior. Custom-made locally for Voyager windows and designed for quick & easy installation & use.

Supplied with:

> 2 shades, window brackets & hardware for installation

\$420.00

ACCESSORY CATALOG 2024

SHOWER BRACKET - FOLD-AWAY

Powder-coated aluminum front-mounted fold-away shower bracket with lock-out pin to mount a shower enclosure. Bracket folds out to driver side near Voyager shower port. Shown left without enclosure and with enclosure mounted & deployed (enclosure not included). Lock-out pin holds fold-away shower in place during use & can also be purchased separately (RE-VYSH01-08).

Code: RE-VYSHRR-01

Category: Accessory, Roof Rack

\$350.00

Code: RE-VYSH01-08 (Pin ONLY)

Supplied with:

\$40.00

> Fold-away bracket, lock-out pin, mounting hardware

SHOWER BRACKET - STATIONARY

Powder-coated aluminum stationary shower enclosure bracket, mounts front roof rack, driver side. Created to accommodate shower enclosures with privacy topper or taller enclosures and / or users. Shown left without enclosure and with enclosure mounted (enclosure not included).

Code: RE-VYEXSH-02

Category: Accessory, Roof Rack

\$230.00

Supplied with:

> 2-piece stationary bracket, mounting hardware

ROOF ACCESSORY BRACKET

Attach your bike racks and accessories to the front of your Voyager roof rack with ease using the new Roof Accessory Bracket. Available for purchase with or without vent cover. Vent cover acts as a roof-top seat, protects vent fan from accidental damage, and adds one more layer of weather protection. Attach two 1UP bike racks with vent cover or up to four 1UP bike racks without. Front & back bracket mount to roof rack & vent cover mounts to back bracket & front cross rail. Roof Accessory Bracket shown left with vent cover, and 1UP bike rack.

Code: RE-VYEXBR-09 (w/o vent cover)

Category: Accessory, Roof Rack

\$400.00

Code: RE-VYEXBR-08 (w/vent cover)

Supplied with:

\$550.00

> 2 brackets, mounting hardware, and vent cover (with RE-VYEXBR-08)
