*"We are called to be one with God and each other by living into the Gospel with love and compassion."
Christ Church Mission Statement*

Dear Friends of Christ Church Episcopal, Sharon,

September 26, 2026

We are pleased to be creating a moment for the community to gather again this Autumn. One of the hallmarks of our Sunday services continues to be beautiful music, and we would like to share it with our friends and neighbors.

Our program this year is "Breath of the Spirit: Sacred Music Through the Ages". The concert will be held on Sunday, November 8th, 2026, at 3:00 PM here at Christ Church Episcopal, Sharon.

The concert will feature performances by soprano Donna Castaner and baritone Jermaine Woodard, Jr., accompanied by Jon Lafleur, founder of The Kent Singers, playing our 1901 O'Dell Pipe Organ.

This is an important fundraising event for our parish, so in addition to individual ticket sales, we are hopeful that some generous members of our community will help to underwrite the costs of such an exciting performance. All benefactors will be listed in the program bulletin. All donations are tax deductible. Our fundraising efforts will allow us to continue supporting our many world and local community outreach projects.

Contributions received by October 21st will be acknowledged in the program.
