## Fresh Thoughts from Todd

"This is a favorite song of mine that I have heard and sung my whole life. I reflect on the words often and encourage us all to do this, then make the necessary changes. 'Have I done any good in the world today? Have I helped anyone in need? Have I cheered up the sad and made someone feel glad? Has anyone's burden been lighter today because I was willing to share? Have the sick and the weary been helped on their way? When they needed my help was I there? There are chances for work all around just now, opportunities right in our way. Do not let them pass by, saying, 'Sometime I'll try,' But go and do something today. 'Tis noble of man to work and to give; Love's labor has merit alone. Only he who does something helps others to live. So let's all go and do something good today'!!"

## Robert's Recipe to Success

"Remember that every job, no matter how seemingly small, can provide opportunities for growth and development. By setting goals and actively working towards them, you can make your job at Wendy's more fulfilling and rewarding."
