## **TODD**

As we step into a new year, many of us set resolutions that challenge us to be better, stronger, and more intentional—much like the athletes kicking off the Winter Olympics, who train daily for moments that matter. Their discipline and teamwork are a reminder that success is rarely achieved alone. As a company, we carry that same mindset by genuinely caring for one another and for our customers. We do this not because it's required, but because it's the right thing to do—and it's how we win together.

Todd

## **ROBERT**

As we begin selling Frosty Key Tags. I wanted to express my thankfulness to be part of such a great company to help kids in the foster program. This is a great and easy way for us to support our community and kids by just asking every customer if they would like to purchase a key tag. I hope you can bring excitement to work with you as you work each shift. You can choose to help other crew and customers have fun and be happy. Look for the positive in your job and in other people. In doing so, you will become the person everyone wants to hang out with. We are lucky to have such great people working for us. You truly are some of the best people in Idaho! – Robert
