

Pray through Phil Wickham's song "What an Awesome God"

Listen to <https://www.youtube.com/shorts/FxjhfgnrhjU>

Then pray through some of the key lyrics:

God is great, give Him all the praise, Hallelujah, Name above all names

* Spend time telling God how great He is

Fire in His eyes, healing in His veins

*Where do you need healing? Physical? Emotional? From past trauma?

* Spend time praying for the healing that you need

The demons have to run, the angels have to praise, Even the winds and waves obey

*Is there an area in your life where you are struggling to obey God?

*Spend time talking to God about it. Tell Him why it's hard. Ask for strength.

And even when I ran, He didn't run away

* Spend time thanking God for all the times he remained faithful even when you weren't

He came and put death back in its place

*Spend time thanking God for saving you

Worthy is the Lamb, glory to the King, Oh, let all the saints and the angels sing

*Imagine yourself in a heavenly chorus...thank God for His faithfulness to the church and all the saints throughout history

Eyes on the sky, there will be a day

He will come and wipe our tears away

No more fear, no more pain

No more sorrow, sin or shame

The King is coming back again

A reign of love that will never end

* Pray for God's Kingdom to come to the Earth. Pray for His purposes to be fulfilled.

For everything You've done and everything You do

And everything You are, I'll sing to You

* Close by thanking God for being an Awesome God.
