

Read through the following verses

Colossians 2:6-7

And now, just as you accepted Christ Jesus as your Lord, you must continue to follow him. Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.

Ask God these questions, and journal what thoughts come to mind. Underline any that really stick out to you. Remember, God's words will align with scripture and will edify, exhort, or comfort you. "There is no condemnation for those who are in Jesus Christ" (Rom 8:1)

Jesus, what is one area of my life where my roots grow deeply into You and I am following you well?

Jesus, what is one area of my life that I need to do a better job of following You?

Jesus, what is one time I did something because I had great faith in You?

Jesus, is there something you want me to do today that would take faith?
