

Foster Application

The answers you give on this application will help us find the best possible match between you and the dogs in need of foster through Harvey's Heroes Dog Rescue. Please fill out the form completely.

Fosters are not expected to provide medical care to their foster dogs. Rescue provides such care and reimburses fosters for any approved expenses. We ask that fosters care for the dogs as if the dog were their own and help us determine which family is best for their foster dog.

Fostering a Dog

There are no bad/wrong answers. Some people can handle a dog with a lot of issues, some people need a dog that is already housetrained. Some people only want to foster certain breeds, and some people have no preferences. Please be honest in your answers to help ensure as pleasant an experience as possible for everyone involved.

What kind of dog(s) are you interested in fostering? (breed, size, etc.)

Have you fostered for another rescue? If so, state name and contact information.

Do you currently have a foster dog from that organization in your home?

We require a vet reference. We do not send dogs to homes whose pets are not current on vaccines. Applicants with pets who are not vaccinated and/or do not receive heartworm preventative will not be considered.
