

Dear Fellow Trapshooter:

The new year has finally arrived, 2025, and it will be state shoot time before we know it. Tim Mount and Mike Goold will be handling the camping this year. Please remit your payment to OTSA and mail it to the address below.

The camping fee will again be \$150. This entitles you to five nights of camping. Additional nights will be \$30 per night. We plan to improve the campgrounds by adding some spaces and more water hydrants.

We are looking forward to another great shoot and hope you will join us. All fees are due by March 15, 2025. If they are not received by then, we will open that spot to someone on the waiting list.

Thank you,

Tim and Mike
