Greetings from the TTA President

**TTA President
Jeff Renegar**

On behalf of the Texas Trapshooters Association and the Amarillo Gun Club I would like to extend a warm Texas welcome to all of our shooters at the 2025 Texas State Shoot.

With much effort from AGC we are proud to announce the return of the full 16 field trapline during this years shoot on championship days! We anticipate high attendance and this will ensure timely completion of our events. AGC has made many facility improvements and our officers, and club staff will work very hard to ensure you enjoy this shoot and break great scores. Our goal is to make this your favorite shoot you attend this year! With the generosity of our donors & supporters we are happy to add some new elements to this year's shoot with added focus on our collegiate and youth shooters, and we have two new shoot-off games also. I would like to thank our BOD, officers, AGC, donors, advertisers, event sponsors, friends of the TTA, and past presidents for all that you collectively do. This shoot would not be a success without this support!

Thank you for attending this shoot, our zone shoots and your local shoots. I am honored to have been your president this year, and hope to conclude this term with a state shoot everyone enjoys and remembers for years to come.

Welcome to the 2025 Texas State Shoot, I truly appreciate you being here!

Andrew Fryman

Drew started shooting in Kentucky in 2001. Quickly winning at the Kentucky state shoot with a JR title in handicap as well as HOA JR, and HAA JR, making the Kentucky state team as a JR in 2003.

In 2018, Drew made the TTA State second team, then made the same team in 2019, 2020, 2024 while making the first team in 2023 and 2025. The trophy list includes states such as Kentucky, Oklahoma as the out of state singles AA champ. Kansas where he was the 2019 out of state runner up in handicap. Missouri

where he was Class AA doubles nonresident along with AA singles in the Patrick Hopson singles, and 2023 nonresident handicap. Arizona where he was 5th nonresident handicap. Many trophies from the Southwest Grand where he was 4th place in handicap. Drew has run a 200 in singles at Tucson and at Fort Worth, he has also run a 100 in doubles at Fort Worth. One target has kept him from the Grand Slam, but it is just a matter of time before this happens. Drew was an integral part of getting Waco throwing targets again, serving on their board and trap chairman. Drew served Zone IV as an officer, sets targets at shoots, squads and classifies shooters. Drew played a major role in the growth of Zone IV, Waco, and the TTA as 2nd and 1st Vice-President. At the 2022 Grand American, Drew finally trophied after many years, he took third in the NRA singles. Then winning the 27-yard handicap in 2024.

Ron started shooting at the age of 14 in Kansas and after graduating served in the United States Air Force for 36 years. During his shooting career Ron has registered 55,000 singles, 50,025 handicap, and 42,400 doubles targets. Ron has won trophies at TTA Zone Shoots as well as state shoots here in Texas, Kansas, Oklahoma, New Mexico, Arkansas, Southwest Grand, the Autumn Grand, as well as the Grand American starting in 2010 as the White Flyer 2700 Target Class B High Overall. Here in Texas, there has not been a task Ron would not take on. Ron has served as President of Fort Worth, 4 years as Zone IV President, 2nd and 1st Vice-Presidents of the TTA as well as President of the TTA with 6 years on the Hall of Fame committee and two years of that being the chairman, as well as 3 years as the state's first alternate delegate. He has also been a target setter at the Grand American, the Southwest Grand, our state shoot, as Zone Shoots.

During all the years Ron has served the TTA, he has made the Texas State Team as a Veteran twice, with one of those years being the captain.

Important Announcement About Fort Worth Trap and Skeet

Contrary to the rumors of our demise, we are still in business and will continue to be. What has happened? Back in 1974 the FWTS BOD sold 12-14 acres to our north. Sadly, they knew of potential shot-fall problems, but only put a 35-year shot-fall easement on the land. That expired and there was no BOD knowledge of this until the land was inherited and we were asked if we could help with deed restrictions in late 2024. Of course, we would help in any way we could, and we asked if we could put the shot fall easement back in place, the answer was no. Not having any issues with the neighbor and the club we started to plan.

In November of 2024, the property to the north sold. The deed restrictions were not lifted, but they did not apply to commercial. Work started in December of 24 and January of 25 to build a flex space warehouse complex. Our BOD started to work on a solution, and we voted to install a shot screen across all our fields 85-90 yards out from the 16-yard line. This is a must to stay where we are right now, and we have engaged a powerful commercial broker to assist us in finding new ground and procuring a sale of our highly valuable piece of property.

We are fortunate to own the land we are on right now and will use that money to find a new location, construct and even bigger and better location to host more people and larger shoots. This not only benefits, the members of FWTS. This helps keep our sport alive in Zone IV and throughout the state.

The goal is for the curtain to be installed by the end of August 2025 and no later than September. The 19th annual Bair Hatcher will be our first ATA shoot on it, and I hope you will attend. We are funding this project with donations and will take them from anywhere. I just wanted to assure you that FWTS is not going away and we will be there for the TTA shooters.
