Greetings from the TTA President

TTA President
Steven Bradbury

Welcome to the 2024 Texas State Trap Shoot. The Texas Trap Shooting Association and National Shooting Complex want to thank you for being here and extend you a big ole Texas welcome! There is an old saying that everything is bigger in Texas, and we saw some opportunities to make our shoot bigger and better for you this year. The biggest change you will see is that our Championship Doubles is now on Sunday instead of Friday. This will give more shooters the chance to make the Championship Events and will benefit the shooters chasing All-American Points. When I was elected President, this was my main goal, and I am thrilled that the executive officers and I were able to make it happen. Change is good, change is needed, and we will continue to work to make Trap Shooting better in the great state of Texas.

I want to thank all the vendors, donors, and advertisers who made this shoot happen. The work of every past President has been shown in this shoot and will continue to be seen in future shoots. We could not do it without them, our board of directors, and most importantly, you the shooter! This is the second year for our new program design, and 100% credit is due to our State Secretary, Randy Boeding, for that. He has put in countless hours to make our program great and ensure you have an excellent shoot.

Trapshooting begins at the local gun clubs, so please support them, and attend their events. It all starts locally, so I urge you as a Texas shooter to get involved at your club to help facilitate the growth of this great sport in our home state. We hope you have a great shoot!

Selection of the recipient of this scholarship will not be based on the applicant's ability to shoot, but consideration may be given to the applicant's ability to meet financial obligations incurred in obtaining a college education. Funds will be disbursed to each recipient prior to the start of each semester. There will be a maximum of four (4) recipients in the program at any time. The Trustees of the Scholarship program may select 2 recipients at any time at their discretion, and may select alternate candidates to be recipients in the case of a student becoming ineligible at a later time. All money from the Scholarship Lewis and Memorials are to be mailed to Jerry O'Connor at the address below.

Your Board of Directors, in hopes of promoting the future of trapshooting through the education of our young shooters, urges you to participate in the purse and help ensure the continuation of the sport we love.

AIM is the official youth program of the ATA

Greetings from the Lone Star Youth Trap Association (LYTA)! AIM is the official youth program of the ATA and the LYTA seeks to fulfill the mission of AIM by supporting our resident youth shooters in the State of Texas. We have been busy this year promoting and encouraging youth trapshooting and are proud to announce that the LYTA is now a 501c3 organization! If you would like to make a donation or provide any other type of support, please contact Audrey Meador, Texas AIM Program Director and LYTA President. If you would like more information about AIM, please visit aim4ata.com. If you would like more information about the LYTA, please call, email, or stop by the AIM/LYTA table at the Texas State Shoot. We would love to visit with you and show you the prizes, provided by our generous donors, available for AIM shooters only at the 2024 Texas State Shoot. We greatly appreciate all of our sponsors and supporters and wish our youth shooters all the best as they compete and represent the Lone Star State!
