## LETTER FROM THE PRESIDENT

**1900— 2022**

***123 Years of Excellence***

Welcome Shooters,

Welcome to the 123<sup>rd</sup> Oklahoma State Trap Shoot. On behalf of myself, the Directors, and volunteers, we want to welcome you and your families to the 123rd Oklahoma State Trapshooting Championships. Knowing there are many other places you could be, thank you for joining us this week.

We have a great program again this year and it all begins on Preliminary Tuesday with no class advances on singles and doubles. The event options have been updated. On Thursday there will be a shoot out for a new Henry rifle complements of the OTSA Board.

This year Ron Bliss will be our Shoot Director to ensure each day runs smooth and efficient.

I would like to personally thank all of our sponsors, vendors, staff, supporters, and our Board of Directors for making the 2022 State Shoot possible.

Good Luck and I hope you have a great week!

Sincerely,

Mike Cook

President

## Garland Sears 2021 Hall of Fame

Garland Sears has literally spent his entire life around shooting sports, especially trap shooting. From playing in the rocks as a toddler at the old club in

OKC while his dad, Gene Sears, was shooting, to shooting his first registered targets at age 13, Garland has been a long-time fixture in the trap community. In addition to trap shooting, Garland has worked for the family business, Gene Sears Supply Company, since he was a kid. Garland started at a young age prepping hulls for his dad to

reload and then boxing loaded shells with his mom (Betty). Whether Garland was in the store or mining lead across the country, he's always been a significant part of the family business. Garland has had many great trap shooting memories and accomplishments throughout his career. His most memorable shooting year was 1968. That was the year Garland earned his 27-yard punch, shot his first 200 straight, and won the Parent-Child Championship with his dad shooting a 394x400. In 1971, Garland and Gene lost the Parent-Child event by one target. One of his last wins in Oklahoma was the Class A State Championship Doubles in the late 2000's. Garland has great memories of shooting mainly throughout the Southwest Zone, attending numerous Grand America events in Vandalia, OH in the late 60's and early 70's. Whether shooting or reclaiming lead, Garland always enjoyed coming back to OTA. Away from trap shooting and the store, Garland enjoys spending time with his family and fishing and hunting on the farm that his grand-parent's homesteaded west of El Reno. Garland has been a longtime supporter of trap shooting from many different aspects; shooter, reclaiming lead, and re-tailer.

## ENTRY INFORMATION

This printed program will govern our 2022 Oklahoma State Shoot. Interpretation of the program will be made by OTSA officials and their decision will be final. ATA rules will be strictly enforced. An event will begin immediately following the previous event so if you schedule late in one event and early in the next, you may miss your squad. The OTSA reserves the right to postpone or cancel any event or limit entries to said event. OTSA may refuse any entrant.

***The OTSA will be giving 123rd Oklahoma State Shoot pins when you cashier for Event 4.***

The cashier, squadding, and classification windows will open each tournament day at 8:00am and will close at 4:00pm. Closing time on Sunday, June 5, 2022 will be at 1:00pm

All single and handicap events will be shot 5 targets per post, 50 targets per trap. Doubles events will be 50 targets per trap, 5 pair per post.

**BANKS WILL BE ROTATED EACH DAY.** There will be a bank drawing each morning. Bank assignments will be posted daily no later than 8:45am in the club house. Shoot management reserves the right to reassign banks and/or resquad shooters at any time to facilitate the completion of an event.

## PRACTICE TRAPS
