

THANKS FROM TGC!!

Hello all,

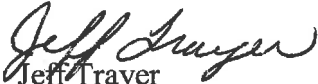

I would like to extend thanks and appreciation to all who came to the TGC March Warm Up shoot. I know you all love crushing targets but I also am sure many of you came to support the club and hopefully give a jump start to the success of future shoots. This was the first TGC registered trap shoot since 2001. I haven't found records but I believe there haven't been regular ATA shoots at the club since the 80s.

Here are some numbers from the shoot:

We had 24 registered shooters. The ATA gained 3 new members. Keith Batterton came all the way from Illinois and Jerry Leding from Bella Vista and many of you were over 2 hours from home. Also, there were 9 shooters from the Oklahoma state team and one All American on the grounds.

As promised we paid out \$1,000, plus there was over \$600.00 in Lewis and yardage purses. Everyone was tired by the end of Sunday but many walked away with cash in hand.

Again, thank you all for supporting the Tulsa Gun Club and hope to see you April 20th.

Jeff Trayer
