# LEAD RECLAMATION

## For your gun club

After 27 years of being in the construction business doing building, concrete, and primarily large earthwork projects, we have decided to add lead reclamation to our portfolio.

This is a perfect fit to our large equipment fleet and our experienced operators.

We have the latest, newest, most efficient Terex screening process system. When you see it in action, you will notice a few specialized techniques that will make it more profitable for you.

One of the first things we do is shoot existing ground elevations with our GPS-guided rover. Not only does this help our earthwork to be performed at

maximum efficiency, it allows us to put the dirt back at the elevation it was before we started!

At the end of our work, we will also reseed any areas of grassland that we have disturbed.

Give us a call to work through any details or questions you might have. We can then get you on our schedule. It is filling fast for 2020.

**Have equipment. Will travel  
to your gun club.  
Nationwide service.**

# LETTER FROM THE PRESIDENT

1900 -2021

*122 Years of Excellence*

**Welcome Shooters,**

**We are so glad to have you join us at the 122<sup>nd</sup> Oklahoma State Trap Shoot. After the year we have all had, we are ready to have a great shoot. Although there are many other places you could be, thank you for joining us. If you have a question or there is a problem that needs to be addressed, please feel free to contact a member of the Board of Directors or me.**

**I would like to thank everyone who had a hand in getting our shoot together. This includes the sponsors, the program sponsors, club volunteers, and a special thanks to my wife, Cinda. I couldn't get along without her.**

**Please remember that although many people have been vaccinated, we still need to practice safety precautions. Wear masks when appropriate, wash your hands frequently, practice social distancing, and be safe.**

**Again thanks for being here. Have a great shoot!**

**Sincerely**

**Dennis Patrick, President**

## ***Dennis Patrick 2020 Hall of Fame***

Dennis Patrick first became aware of the Trap Shooting sport in 1973 as a youth working for A.T. Zachary. At the time Zachary had a trap club on the north side of Hwy 66 in El Reno, where Dennis set targets and loaded shells for him. In 2016 Dennis started shooting trap again and registered targets in 2017. In 2018 he attended the Grand where he broke 99 to win 2nd place in a singles event. At the 2018 Arkansas State Shoot, he won sub vet RU in singles with 99. In 2019 he won B class singles at the Nebraska State shoot with 99. He won 1st place mid yardage at the Iowa Park Zone shoot with 96. He won sub vet champion at the 2019 Oklahoma State shoot with 97. At the Southwestern Grand he won 1st place in a handicap. And he also won 22-24 yard champion at the Tucson Autumn Grand. At the 2021 Tucson Spring Grand he won doubles RU with 98, and the HAA-B class champion. At the 2021 Tucson winter chain shoot he won B class champion in the Yuma doubles event. Dennis says his most proud moments has been watching his grandson, Kenyon Bert, grow from a young, unsure, boy learning the basic of trap shooting to a confident, competitive shooter. In 2020 Keyon was one of 14 Oklahoma All American shooters. Dennis Patrick became a "Mega Target Member" shooting 23,500 targets in 2019. Dennis has made many new friends during his shooting career.

## ***Jeff & Paula Trayer 2020 Hall of Fame***

Jeff was 1st introduced to trap shooting by his Dad, Harold Trayer, an avid hunter and trap shooter. After winning a vehicle in 1973, Harold started a local trap club, where Jeff said he has many fond memories. He 1st shot trap in 1977. In 1999 at the Kansas shoot, he won the in-state RU in the Handicap Championship. At the Grand in 2017, 2018, and 2020, Jeff won Handicap and Doubles awards. At the Southwestern Grand in 2017 and at the Hartland Grand in 2017, 2018, and 2019, he won several single awards. At the Oklahoma State Shoot in 2017 he won A class singles with 197. In 2018 he won A class doubles with 98 and A class doubles in the SW Zone with 98. In 2020 he won champ in the Finkle Handicap with 96, SW Zone sub vet doubles with a 99. Paula joined him in trap shooting when she shot her 1st registered targets in 2017 at the Turtle Creek GC in Manhattan, KS. Paula said they have traveled many miles shooting together in 9 states. She said one of the best parts of trap shooting is the wonderful friends that one makes. In 2018 Paula won O/S lady 1 singles and handicap champion at the Iowa State Shoot. In 2019 she won Lady 1 Missouri fall handicap with 98, Arkansas O/S Lady 1 singles, Texas State shoot O/S Lady 2 Lone Star singles, Memorial Handicap, and HOA Champ. In 2020 she won Arizona State shoot O/S Lady 2 handicap with 97 and Texas State shoot O/S Lady 2 singles RU. Paula and Jeff have been on the state team several times. They have also won the "Husband and Wife" at the Oklahoma State Shoot in 2019 and 2020. They are both All Americans in the last 2 years. Jeff also enjoys managing ATA Shoots at the Oil Capital Rod & Gun Club and the Tulsa Gun Club.
