

# TULSA GUN CLUB

## TRAP SINGLES LEAGUE

**(Non-Registered)**

**TRAP LEAGUE:** 2/8/21 thru 4/4/21

**SIGN UP DEADLINE:** 2/28/21 (Must make up targets from past weeks.)

**WEEKLY PROGRAM:** 50 Singles

**FEE:** \$10 (one time, 100% returned in weekly cash prizes).

**TARGETS:** All shooters will shoot at the member rate. However, non-members will practice at the non-member rate of \$9.00/25 round. (Memberships are available.)

**PRIZES:** Weekly cash prizes. The Tulsa Gun Club will give target vouchers to the top 3 overall scores of the last 4 weeks.

**HANDICAP SYSTEM:** We will use the following handicap system to calculate league scores: 70% of each shooter's average missed, will be added to their league scores with a maximum score of 49 unless a true 50 straight is broken. Example: shooter has an average of 39 per 50 targets shot, their handicap will be calculated as such:  $70\% (50 - 39) = 7.7$ , therefore 8 targets will be added to their scores, if shooter breaks 38, his/her score for league will be 46. If the same shooter breaks a score of 44, his/her league score will be the maximum score of 49. During the first 4 weeks, each shooter's handicap will be based on one of the following: ATA average, last years Big 50 average, known average. The second 4 weeks, handicaps will be calculated from averages during the first 4 weeks. However, if shooter's average is inconsistent with his/her ATA , Big 50 or know average, their handicap will be adjusted.

**SHOOTING FORMAT:** League scores can be shot on any day the club is open or with a lifetime member on any day. Shooter must have a score keeper, which can be a friend or another shooter, (TGC staff members may score if/when available). Scoresheets can be obtained and turned in at the clubhouse. When shooting practice rounds, shooter must declare their league scores prior to shooting them and all 50 league targets must be shot consecutively.

Each shoot week will be Monday thru Sunday. Score sheets to be turned in each week by Sunday at closing time. Shooters can shoot ahead as many scores as they wish and can also shoot up to 3 weeks of make up targets. Make up targets will be included for the last 4 weeks overall all prizes but will not be considered for weekly cash prizes. Scores will be posted in the club house and emailed as soon as possible during the next week.
