

## Supply List for Nancy's Landscape

### Colors (Please have them freshly mixed):

Lt. Yellow	Moss Green
Yellow Brown	Darkest Green
Yellow Brown #2	Deep Blue Green
Tan	Sky Blue
Yellow Red	Navy Blue
Violet of Iron	Shadow Gray
Rich Brown	Black
Yellow Green	

I use Q-tips with a flat end and a pointed end and I also use sponges that are egg shaped. Both of these products can be found at a beauty supply store.

You may use any semi open medium. Using only mineral oil is not advised. Try not to use too much Turpentine as I have asthma. Keep it covered!

See you in January!

Nancy

1-6-26 Update: (1) Since Nancy is highly allergic to Turpentine, she uses Turpenoid Natural (green label).

(2) Also, she uses non-waxed graphite.
