Madame Prez Says

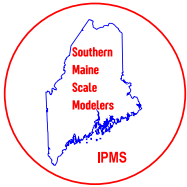

By Grace Leavitt

Thanks to all those members who showed up for the build night. It's always fun to see what the members are up to in their hobby.

A reminder of Wings and Wheels this weekend at Owls Head Transportation Museum. Let me know if you have any questions.

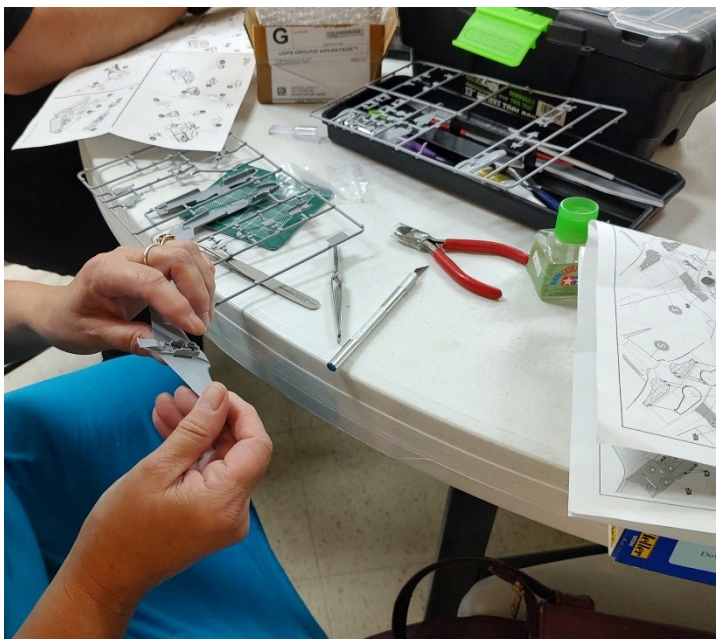

We has 21 people at the Barbecue at Two Lights State Park on Saturday the 19th. The food was great, the weather was perfect, and as always it was a fun time. I would have loved to see more people in attendance. It seems the numbers are going down each year, which is really too bad. I hope you enjoy the pictures.
