## Message from the President

Happy Spring to everyone - I never expected to be writing to you in the midst of a worldwide pandemic! This is certainly a tumultuous time in history in many regards. I sincerely hope your family are well and exhibiting resiliency in what we may come to know as a new normal. In the meantime, I think most of us yearn to return to something familiar. In doing so the FBCA Board met this past week and has decided to move forward with most of the FBCA spring events which include collection of dues, holding the yearly election and our meeting for the FBCA Board, which will take place virtually. The General Membership meeting, however, will be delayed (date TBD) in the hopes that we will be able to meet in person. If this is not possible, we may have to hold the General Membership meeting in a virtual format, so it is ***imperative that we have your email address in order to keep everyone informed.*** In the meantime, please know that thoughts of good health are with each of you and your families.

Till soon,

Eva

### \*\*\*NON-RESIDENT PROPERTY OWNER ACCESS INFORMATION\*\*\*

The Currituck County Board of Commissioners (BOC) voted at their monthly meeting this past Monday, 4/20, to allow non-resident property owners to return to the area beginning today, Thursday, 4/23/20 at 9am. A decision for the return of visitors will be made at the May 4<sup>th</sup> BOC meeting but may be as early as mid-May. Check here to view the permissions and requirements for access: <https://co.currituck.nc.us/news/coronavirus-information-for-nc/>

## Annual Meeting Details

Given the current COVID 19 Pandemic, the FBCA Board meeting will take place via a Zoom virtual platform. The meeting will be recorded and link shared with the membership. It is highly likely that the General Membership Meeting will also be held virtually but will be officially decided at a later date. Please see the links below to familiarize yourself with this virtual product. You will need to use the Zoom application in order to join the meeting. The Zoom platform is compatible for both computer and hand held devices. Zoom is not difficult to learn and is a good way to keep in touch with family and friends when you can't visit in person.
