

To be returned to Advanced Driving School

School Rules:

1. Every student driving or observing, needs to have their permit in their possession when being in the vehicle. Pictures in any form(phone) will not be accepted. Students not in possession of their permits will be charged a \$65 Cash fee. No credit will be given for that lesson. Any students meeting at high schools will be driven directly home.
2. Students' phones should remain off while in the vehicle. In the event of an emergency, our school phone may be contacted at (774) 404-5553.
3. Absolutely NO flip flops, sandals, or slippers can be worn when driving. They are hazardous as they may slip off. Boots are big and thick. They can catch the break and gas at the same time. Sneakers or flat shoes.
4. Be ready for your appointment on time. If you are not, we will not wait. The student will then be charged a \$65 Cash No Show Fee due on their next lesson. Lessons can be interrupted with a past due balance.
5. Availability is sent to (774)404-5553 every Friday BY 7pm no later. Late texts will not be accepted. Lessons are to/from our school on weekends,holidays and school days off. Please do not ask to be dropped off anywhere else other than HOME/SCHOOL.
6. Absolutely NO FOOD/DRINKS in the vehicle at any time as they are choking hazards.
7. Earbuds are not allowed. They are a distraction.
8. We understand that students have other priorities: school, sports, work ect.. Drivers Education tends to fall at the bottom of that list. When the student's availability opens up, please do not ask for more lessons to make up missed time. To do that, we would have to tell other students they can't get an appointment. We are not going to do that to any student.
9. Our vehicles have a dash camera in both the front and the back. This is for video surveillance outside the vehicles to protect ourselves in the event of an accident. THERE IS NO AUDIO.
10. If a student has an appointment, and wakes up sick, please text us by 7am to cancel your appointment at (774)404-5553. If a student has been sick in the past 24 hours, please do not attend your appointment, and cancel. Should a student show up for their appointment and show signs of being sick(nasal drip,sneezing,coughing,sniffling ect.), they will not be allowed in the vehicle and will be charged a cash fee of \$65.
11. Students may leave Advanced Driving School classroom premises during breaks.
12. Students who reside outside of Plymouth and Carver, driving lessons are to and from our school.
13. After three no-shows a student will be terminated with no refund.
