LIGHTS

NATURAL WOOD WITH CHROME

A close-up photograph of a green leaf, showing a detailed network of veins. The veins are a lighter green color, contrasting with the darker green of the leaf's surface. The word "LIGHTING" is printed in a bold, black, sans-serif font, centered horizontally and slightly above the middle of the image. The lighting is soft, highlighting the texture of the leaf's surface and the intricate pattern of its vascular system.
