Allow me to introduce myself. My name is Mary Tu'ifua R.N.D., Adult Family Home (AFH) Consultant with 20+ years Nursing experience in Long Term Care. I am an AFH Compliance Nurse, Community Educator and DSHS Contracted RN Delegator. Earlier in my nursing career, I owned and operated an Adult Family Home for 5 years mostly specializing in Dementia, Mental Health, Hospice, and End of Life Care. I have worked in the Hospital Medical Surgical Acute Care Unit as an RN Assistant Manager and in a busy Medical Surgical Telemetry Unit. I cared for disabled individuals in their homes on Ventilators for Home Health. I was as an RN Supervisor in Skilled Nursing. I was also a Director of Resident Care for Assisted Living and Memory Care. Currently I teach the AFH Provider Administrator Class at Highline College in Des Moines, Washington, and I am the President and RN Services Director for Elder Village Partners AFH Consulting.

Our Elder Village Partners Consultants will help the AFH Provider establish their AFH business; from preparing the AFH Provider for the WABO building inspection, to completing the AFH licensing application, to assisting with the DSHS State Licensing Inspections. Our team will teach the AFH Provider on how to manage their Adult Family home and establish the Administrative System in the AFH which will allow the AFH Provider to Manage their business efficiently. Our system will include **Administrative Chart Orders** with inserted documents to organize the Medication system, Human Resources, & Business Operations. With all the assistance we provide for the AFH Provider, we will also inspect and audit each AFH for quality and excellence.

Our goal is to safely navigate the elderly resident into the AFH for a better Long-Term Care Placement option. Once **an appropriate placement** is considered for the admissions into an AFH, our Nurses will develop a state required AFH Assessment and Comprehensive Preliminary Care Plan. Each Preliminary and Negotiated Care Plan will be customized specifically for each Residents care needs, special requests, and personal preferences.

If you want to **learn more about what Elder Village Partners Consultants** can do for the Adult Family Home, or if you are looking for **Higher Quality Care for you or your loved one**, we can schedule a free **Zoom** meeting, On-Site Visit or Phone Consultation to go over Available Long Term Care options in the Adult Family Home. Here is my Direct Contact: **1-888-410-0943** or Cell **206-886-1611** Text or leave me a message.
