Houston, Texas – Creative Minority Films is thrilled to announce the completion of the pilot episode for the reality series *Boss Bodies*, created and helmed by showrunner Alexis Robbie. The show offers a gripping look into the high-stakes environment of Muscle Headz gym, where the staff faces intense pressure and personal drama to keep the business alive.

Under the leadership of gym owner Cliff Jackson, *Boss Bodies* captures the real-life challenges and conflicts as the team is tasked with increasing memberships—or facing termination. With its engaging characters and dramatic narrative, *Boss Bodies* is poised to make a strong impact in the reality TV space.

The production team is now actively seeking a distribution partner to bring *Boss Bodies* to viewers everywhere. For inquiries, please contact Alexis Robbie at AlexisRobbie@gmail.com

About Creative Minority Films:

Creative Minority Films is dedicated to redefining the entertainment landscape through authentic storytelling that celebrates diversity and empowers underrepresented voices. Our mission is to challenge existing narratives, foster inclusivity, and provoke meaningful social dialogue through compelling film and television content.
