## ***The Real Tax Bosses of Texas* Completes Filming for Episodes 102 & 103 – Now in Post-Production**

### **FOR IMMEDIATE RELEASE**

**DALLAS, TX - [12.30.2024]** – The highly anticipated reality series *The Real Tax Bosses of Texas* continues its exciting run as Episodes 102 and 103 have officially wrapped filming and are now in post-production. Following the successful premiere of Episode 101 on Tubi this past November, the next installments promise even more power moves, personal conflicts, and high-stakes financial drama as Texas' top tax professionals navigate the world of wealth and success.

**Led by Dr. Shonda Love, the most influential woman in the tax industry**, *The Real Tax Bosses of Texas* showcases the triumphs and challenges of elite tax professionals who are at the top of their game. The series is **Executive Produced by Nahala Johnson and Evolve Entertainment, in collaboration with Creative Minority Films**, and is **created and helmed by Alexis Robbie, who serves as both Showrunner and Director**.

Filmed on location in **Dallas, Texas**, the upcoming episodes dive deeper into the business, friendships, and rivalries that make this series a must-watch. As the cast expands their empires, tackles fierce competition, and manages personal relationships, *The Real Tax Bosses of Texas* delivers the perfect mix of ambition and entertainment.

Now in post-production, Episodes 102 and 103 are being refined to bring even more compelling and dynamic content to audiences, with a release date announcement coming soon.
